## Upsets Featured Grand Circuit Races

Biggest Surprise of Day Was  
Defeat of Peter Manning—  
Geers Brings Crowd To  
Its Feet.

Philadelphia, Aug. 18.—Upsets in two of the five races featured the second day of the Grand Circuit race meeting at the Belmont track near New York today. The track was slow owing to the heavy rains.

The biggest surprise was the defeat of Peter Manning, Tommy Murphy's rival, which hung up a new world's record for trotting geldings in a race at Cleveland last week. The veteran Ed. Geers was behind Murphy's horse in the \$6,000 Wingo Stock Farm stake, the richest of this week, and set the crowd wild in the first heat by coming behind with a rush, beating E. Colorado in a terrific drive to the wire.

In the second heat, however, Peter Manning made a bid break at the first turn and was many lengths back of the field at the first quarter. Geers did not try to drive the gelding out and was distanced. Tama Hall, won the heat in 2:08 1/2, but was beaten by E. Colorado in the third heat. The race was decided on the three heat plan and the money divided accordingly to the standing, with E. Colorado the winner of the cup, and the largest share of the purse.

The second surprise came in the \$2,000 Newbeck Farm stake for three year old trotters. Great Britain, driven by J. L. Dodge, was picked to win this event, but after taking third place in the first heat, broke and was distanced in the second. Emma Harvey won the event in straight heats.

Lon McDonald captured the B. F. Keith Theatre cup in straight heats with Baroness Cochato in the 214 trot. Dora Haynes was the winner of the Novelty dirt race at one mile and 90 yards. This is the first time of the kind ever held here, the horses getting the word on a walk. Only two started in the 2:03 pace for the horse association's cup, and Geers won with Gossie Todd.

Introducing of  
Batsmen's Headgear

Is Being Considered by Baseball Club Owners—This as Result of Fatal Injury Received by Ray Chapman.

New York, Aug. 18.—Introducing of headgear for batsmen is being considered by baseball club owners for Magistrate Francis X. McQuaid, secretary-treasurer of the New York Glens, declared here today, in commenting on the fatal injury received by Ray Chapman, of the Cleveland Americans last Monday, when hit on the head by a pitched ball.

Humanitarian impulse quite as much as anxiety to protect the heavy financial investment in their star performers, had moved club interests to consider headgear as a desirable addition to players' protective apparatus. Magistrate McQuaid asserted. Solid helmets similar to those prescribed for naval aviators and those formerly used by football players may be the head pieces decided upon, he said.

Chicago, Aug. 18.—Billy Miske arrived here today to go into training for his fight with Jack Dempsey at Benton Harbor, Mich., on Labor Day. Miske, looking fit, said he would spend several days here before going to Benton Harbor where Dempsey is in training.

## THE THIRD DAY OF TOURNAMENT PRESENTS EXCELLENT EVENTS

Great Interest Being Taken in the Playing on Rothesay Tennis Club Courts—Malcolm McAvity Defeated Dr. Bigelow in Three Closely Contested Sets in Morning—Afternoon Feature Was a Set of Men's Doubles.

As the week goes on more and more interest is being taken in the splendid tennis being played at the courts of the Rothesay Tennis Club where the New Brunswick Tennis Association are holding their annual meeting. Yesterday's weather was ideal and a very satisfactory number of events were played. The benches were crowded with spectators who followed the strokes closely and applauded the brilliant plays and long rallies which were frequent.

In the morning perhaps the outstanding game was that in which Malcolm McAvity defeated Dr. Bigelow in three closely contested sets. This was excellent tennis both men putting up a fine game.

The game of the afternoon was a set of men's doubles between W. M. Angus and E. A. Schofield vs. Jack Thomson and Fenwick Armstrong in which the two older players went down to defeat before these coming champions.

The steadiness of the boys' play and their good judgment in placing the ball won many rounds of applause from the spectators and they were heartily congratulated at the close of the three sets. All four put up fine games and the team work of Thomson and Armstrong deserves special mention.

Miss L. Dykeman gave Mrs. Malcolm McAvity a long fight in her singles throughout, though unable to win against Mrs. McAvity's playing. George Harley although having played a number of events won out from W. T. Wood after three long and well fought sets. Miss P. Arning and J. Downer both gave splendid examples of good tennis yesterday and Miss N. Thompson also put up a fine game. Miss M. G. Glidden was congratulated on her steadiness and good placing. With her partner they gave Miss N. Thompson and H. M. Wood a hard struggle to win.

Many at Tea

Many guests arrived on the courts at afternoon tea time when the tea tables were presided over by Mrs. W. T. Thomson and Miss Galla Armstrong. Others having the tea yesterday were Mrs. N. R. DesBrisay and Miss Mabel Thompson. Last evening motors conveyed the guests to the Wednesday evening affair at the Westfield Country Club where they enjoyed the hospitality of that club and had a delightful time. Everything was made to make it pleasant for the guests and the dance will be added to the many successful affairs at the Westfield Country Club.

## Third Day of The D. R. A. Matches

Ottawa, Aug. 18.—The completion of the Walker and the Bankers' matches and the Macdonald "Brier" match at two ranges with the Gibson revolver and extra series competitions, made up the programme of the third day of the D. R. A. matches which have so far been held in beautiful weather and without any accident to mar the pleasure of the meet. There is something lacking of excitement due to the smaller number of competitors but there is a more comfort for the individual shot as there is ample room for squadding and no over-lapping is necessary.

The Bankers' and Walker matches, both brought out some very good shooting and helped to place the Lee-Enfield a little more in favor. The Bankers' went to Sergeant Hawkins, 48th, a King's Prize winner, with a fine 96 out of the possible 100. Major R. Blair, 72nd won the Walker match with 69 and finished with a possible at 600 yards.

In the Bankers' team prize, the Sard Cup for teams of five men, was won by the 48th Highlanders with a score of 450; Vancouver R. A. 441; Royal Grenadiers 428.

The Walker team prize at 300 and 600 yards fell to the 103rd Regiment of Calgary, who have been doing great shooting on the range with the Queen's Own Rifles, taking the second prize.

The day's shooting concluded with the Macdonald "Brier" match for a handsome shield for teams and \$1,000 for individual scores. In this match a mistake was made in checking the tickets and the result was a draw. The match was not declared over tonight.

This morning the military matches shot yesterday at the D. R. A. shoot were declared and resulted as anticipated, in a win for the Queen's Own Rifles of Toronto in the Gzowski with the splendid score of 493, a new record for the match. The 48th also of Toronto, took second place. The Dundonald fell to the 48th who beat out the Q. O. R. by reason of having no misses on their targets.

The British Challenge Shield was an easy win for the Q. O. R., who far outshot their competitors.
