Gem Junior Safety Razor

The simpliest and most practical Safety Razor sold at a moderate price. Any man can use it and get perfect results.

The set complete includes a nickel plated frame, stropping handle and seven selected Damaskeened blades (one for each day in the week) in plush lined case. 

Curley's "Peerless" Safety Razor

This razor is designed especially for those who don't feel at perfect ease with an ordinary open blade razor. It is used like a "regular" style razor, with the special advantage that it permits correct shaving with safety, that is, the sliding diagonal stroke. Put up in compact folding leather case containing white handle razor and four ex-tra blades,

### Standard Razors

The man who shaves himself is master of his own time, comfort and cleanliness.

# Stropping Machines

THE TWINPLEX STROPPER.

As may be seen from the cut, this stropper is very compact. Its construction and operation is simplicity itself and it fills a long-felt want for sharpening double-edge blades. Sharpens both edges at the same time.

THE TRIPLUS STROPPER.

This stropper is designed for sharpen-ing the "Star" and all other doubleedge safety razor blades; also ordinary or open blade razors. No. 947N ..... Each 50c.

# Razor Strops
