Ottawa, April 9.

Dorion introduced a bill explaining of the words "competent magistrate," as occurring in New Brunswick. It extends to Registrars and others.

About an hour was occupied to-day in presenting Prohibitory Law petitions.

A number of bills was introduced, among them one to amend the Incorporation Act of the Confederation Life Insurance Company: one to amend Canad

tion Act of the Confederation Lafe Insurance Company; one to amend Grand Trunk Arrangements Act; another to regulate the construction and maintenance of submarine electric telegraph.

In reply to DeCosmos, the Premier said he could not tell when the Pacific Railway would be commenced, nor at what point the construction would be commenced.

The annual debate on agriculture took place, and a committee was appointed to consider that interest.

Mr. Domville moved an address to procure the report of the Post Office Inspector, New Brunswick, for the months of November, December and January last.

The Postmaster General replied that he would give such information as could be made public.
