

REPORT

OF THE

COMMITTEE OF MANAGEMENT.

The Committee of Management have the honor to present the 37th Annual Report of the proceedings of your Society, and in so doing must congratulate the Members on the assistance which the Society has been the means of providing in so many cases of distress during the past twelve months.

Relief has been afforded to (131) one hundred and thirty-one persons in all, and of these several were assisted to return to England. The Expenditure for charitable purposes is \$609.20. Of this amount \$31.25 went to defray the burial expenses in three cases of death.

In the Treasurer's Report will be found a statement of the financial affairs of the Society.

Our Membership Roll has been increased by the addition of two names, both Life Members.

The Society has to deplore the deaths, since its last Annual Meeting, of two of its Life Members, Mr. Charles Sharples and Mr. Joseph Auld.
