 The Cure will be guaranteed, and, as a proof of this, no pay is required until the Cure is completed. The moment a Cancer is discovered, it should be "Cured" as it will cost less and is more speedily cured than when of longer standing, and there is nothing to grieve, and everything to lose, by delay. Will now assume a harmless lump in the breast, neck, eyelid or elsewhere; or small wart or sore on the lip; may, in a few short months, become a hideous, disgusting, destroying mass of disease. If required, references can be given to parties who have been cured many years since, and whose real soundness can be proved. All consultations promptly answered. No money required in advance, and none until the Cure is complete. 62-h

**ORGAN & MELODEON MANUFACTURERS.**

Having now been established in the manufacture of Musical Instruments for several years, we must acknowledge our appreciation of the kindness and justice of the people, which has tended to prosper and increase our business and reputation far above our expectation. We supply Organs and Melodeons made and finished in the most complete and perfect manner, using the best materials possible to be obtained, employing only first-class workmen, and having each department superintended by men of experience.  
 Our trade mark, "Orpheon and Celeste Organ," is placed upon the name-board or key-ship of all Organs manufactured by us, and having been registered for our sole use, all parties are cautioned not to infringe on the said trade mark.  
 We claim especial attention to our Vox Celeste Organs, No. 27 and No. 34. The Vox Celeste Reeds were first introduced in Canada by us in 1869, in a 6 reed organ, which took the first prize at the Provincial Fair held that year in London. We have since applied it successfully to our single and double reed organs, making our "Celeste Organs" the most popular instrument now before the Canadian public.  
 We manufacture the most popular styles, and introduce all the latest improvements.  
**ALL INSTRUMENTS FULLY WARRANTED FOR FIVE YEARS.**

**1873] AS USUAL, COMPLETE SUCCESS!**

**Ten First Prizes at Two Exhibitions**  
**W. BELL & COMPANY,** GUELPH, ONT. Received every First Prize for  
**ORGANS AND MELODEONS**

At the Provincial Exhibition, Hamilton, and Central Exhibition, Guelph.  
 This grand success, in addition to last year's record of a Silver Medal, 3 Diplomas, and 12 First Prizes, prove that our instruments in the opinion of competent judges are incomparably superior to all others.  
 Sole Proprietors of the ORGANETTE containing Scribner's Patent Qualifying Tubes, acknowledged by all to be the greatest improvement yet introduced. Our superiority is conceded by other makers, from a secret that at Guelph they withdrew from competition, thus acknowledging their inability to compete with our instruments. Every instrument fully warranted for one year. Send for catalogue containing fifty different styles of instruments.
