

Introducing Back-pack-tracking.

Ever noticed how one way of travelling is getting more and more popular these days? The train, that is. The VIA train. And why do young people love the train? Is it the low fares? The view from the windows? The room to relax? Is it the spirit of togetherness that people on a train seem to have? A VIA train is all of these things. So, next time, come travel with us. For a day trip, a week... or, when you've got a Canrailpass, up to a whole month of unlimited train travel. Ask about Canrailpass at your Travel Agent, or VIA.

TAKE IT EASY. TAKE THE TRAIN.

WINNIPEG (CUP) — Students and staff in the school of art at the University of Manitoba are slowly being poisoned in the name of fiscal restraint, a professor in the school charges.

Faulty ventilation of poisonous fumes and dust in the building has been repaired because "they don't want to spend the money," according to professor E.D. Dore.

Dore said the improper ventilation system poses "an unmitigated health hazard," but said the school has been unsuccessful in several years of trying to get someone to solve the problem.
