PARTICIPATING TEAMS: University of New Brunswick (UNB)
Mt. Allison University (Mt.A)

QUALIFYING FOR CIAU'S:

The top two wrestlers in each weight class are eligible to compete in the CIAU's. Concordia wrestlers are not eligible to receive AUAA awards, but if they place either first or second place in their respective weight classes they qualify for the CIAU's.

For example: if a Concordia wrestler wins a weight class and two AUAA wrestlers place 2nd and 3rd, the wrestler from Concordia will not receive the AUAA gold medal for first, but does qualify for the CIAU's; and the 2nd place AUAA wrestler receives the AUAA gold medal and also qualifies for the CIAU's, and the 3rd place AUAA wrestler receives the AUAA silver medal, but does not qualify for the CIAU's.

COMPETITION:

The four universities from the Atlantic Region are competing for the AUAA Championship Team Trophy. Concordia is participating in this competition in order to qualify wrestlers for the CIAU national Championships, and are not eligible to win the AUAA Championships.
