

Here's a chance

to save some of

your parent's money.

Not that they need to know.

Get a great deal on Macintosh computers.

Let's face it. There are times when saving your parent's money is like saving your own. Now whether this is one of those times is totally up to you. (We don't want to know.) We just deal in facts here, not ethical debates. And the fact is you can pick up a Macintosh[®] PowerBook[®] 190cs and Power Macintosh[™] 5200/75 LC for a great price. Which given the awesome display of technology these machines represent is a good thing. Just visit your Authorized Campus Dealer and spend some money, none of it yours – with any luck. So for information on a variety of Apple[®] products, visit us on the Internet at: <http://www.apple.ca>
