Ottawa, 30th July, 1907.

Sir,-

Referring to your letter of the 28th instant, relative to Messrs. Campbell Bros. account for a coffin furnished by them for the burial of an Indian who was killed by a bear, I beg to inform you that if Messrs. Campbell Bros. submit their account to Agent Irwin, which apparently they have not yet done, it will receive consideration. I may say that it is thought, however, that \$15.00 is a fair price for a coffin for a destitute Indian.

Your obedient servant,

Secretary.

A. Bridgman, Esq.,

Solicitor, etc.,

Vernon, B.C.
