June 18, 1919.

Dear Mr. Graham,-

(Incls.)

I have your confidential letter of the 14th instant relative to the application of Mr. John Hamilton, returned soldier, for the position of farmer at Kinistino.

I had forwarded to you on the 2nd instant for your consideration the applications received up to that time in reply to posters, etc., and merely forwarded Mr. Hamilton's for your perusal among the other applications.

You will remember that I forwarded to you some time ago a couple of dozen blank application forms, and when I suggested your having Mr. Hamilton's application on the regular form, I thought one of the forms sent you at that time would be used; I am inclosing a further supply for your use.

Thinking that our letters might cross and in order to save time, I telegraphed you on the 12th instant that an application had been received on the regular form from Mr. William McKay, returned soldier, of Duck Lake, for this position. However, I now inclose Mr. McKay's application and shall be glad if you will look it over along with the others and report thereon. As soon as the applications are returned I shall forward them to the Commission for decision.

Yours truly,

W. M. Graham
Deputy Superintendent General.
