

OF GREAT IMPORTANCE TO THE CLERGY
AND SUNDAY SCHOOL TEACHERS

PROF. MOULTON'S Modern Reader's Bible

ALL IN 1 VOLUME

IN its original form, 20 small books, this series met with universal favor, many hundreds of thousands of copies having been put into use.

The King James arrangement of arbitrary division into chapter and verse was changed by Dr. Moulton bringing into modern paragraphing the poems, choruses, and narrative of the various books. The chapter and verse numbers appear only in the margin for reference. Each book had a full introduction, with historical and literary notes, and, at the end, full explanatory notes on the text, and a literary appreciation of the work as a poem, an idyll, or whatever was the evident purpose of the book from the writer's standpoint.

These separate books are now printed together in one volume, the size of an ordinary Bible, together with all the annotation of the original pocket edition. This volume is printed on Bible paper, and bound in suitable cloth covers at \$2.00, or in flexible full Turkey morocco at \$5.00. Nothing could make a more attractive present for your friend. Write to the publishers, mentioning THE TEACHERS MONTHLY for special terms offered for the holidays. Do not delay.
