

## THIS IS CHRIST'S LOVE.

Once Dr. Moffatt asked a native preacher to address a meeting for him, and he took for his text the love of Christ. He spoke something in this manner:

"What is love? Well, you surely all know what love is. We love one another, but what kind of love is that? I love you because you love me. I love my mother and sisters because they love me. Why that is the lion's love, the tiger's love: have you not seen the lioness playing with her cubs, and the sheep with their lambs, and the lambs with one another? Yes; but that is not the love of Christ. I will tell you what it is, for I am sure you do not know. If a man died for his friend, would you not say, Oh how he loved him? If he died for his servant, would you not wonder more? If he died for his enemy, would your amazement have any bounds? But would you not marvel still more if he were to die for serpents and scorpions? And this is Christ's love; for what are we but a generation of vipers?"

HALL'S VEGETABLE  
SICILIAN  
Hair Renewer.

Seldom does a popular remedy win such a strong hold upon the public confidence as has HALL'S HAIR RENEWER. The cases in which it has accomplished a complete restoration of color to the hair, and vigorous health to the scalp, are innumerable.

Old people like it for its wonderful power to restore to their whitening locks their original color and beauty. Middle-aged people like it because it prevents them from getting bald, keeps dandruff away, and makes the hair grow thick and strong. Young ladies like it as a dressing because it gives the hair a beautiful glossy lustre, and enables them to dress it in whatever form they wish. Thus it is the favorite of all, and it has become so simply because it disappoints no one.
