THE OLD PAN WAY

50% MORE CREAM

The old pan way of raising cream don't pay—it's too mussy and fussy—too much work for the women. And it don't pay in dollars and cents because you actually lose 50 per cent of the cream you ought to get. You can increase your cream product about 50 per cent over pan setting; 33 per cent over cans set in cold water; 25 per cent over patent creamers or dilution cans by using the

DON'T PAY

SHARPLES TUBULAR SEPARATOR

Besides you can skim the milk immediately after milking—save the handling and the expense of storage. A good milk-house costs more than a Tubular and isn't half so profitable—even if you already have the milk-house it will pay in labor saved, in crocks and pans saved, and the increase in cream will be all clear profit. Of course, when you buy a separator, you want the one that will get you the most profit—you'll want the Tubular—the reasons why are all given in a book which you will want and which we want to send to you free if you will only write for it, ask for book H. 186

The Combination That Leads

THE WEEKLY TELEGRAM and its Premium "On The Look Out"

If you have not been a subscriber to **The Weekly Telegram**, many of your neighbors have, and they will tell you it is the best weekly west of the great lakes. The market reports are accurate and up-to-date. In this age of competition every farmer must have the fullest information possible on the price of grain, hogs and cattle. If he has access to the market reports of this paper he will know when to sell and what to ask. **The Telegram's** reports are never colored, but are always accurate, and every week give a true and impartial statement of the situation.

The special news features, the editorials and the sections devoted to women, makes **The Weekly Telegram** the best to be had in Canada. This includes the best dress patterns, especially drawn for **The Telegram** and sold only to **Telegram** readers at a nominal figure. Another feature which puts the **Telegram** in the very front rank of western weeklies is the **Comic Section in Colors**. No other weekly in Canada gives its readers this big feature every week in the year. The old and the young, in fact every member of the family, follow with increasing interest the doings and sayings of the humorous characters in our comic pages. We repeat, it's the greatest comic feature offered by any newspaper in the country—and **The Telegram** alone has the exclusive use of the Copyright in Western Canada.

THE PREMIUM—"On The Look Out," a masterpiece in fourteen colors, reproduced directly from the original painting by the colortype process and faithfully retaining all the tones, effects and shadings of the original. The reproduction is a natural subject, and tells the beautiful story of "Evangeline" waiting at the gate near the old home. The masterly shading and the harmony of color will appeal to all phases of humanity as only a picture from nature can. This magnificent reproduction is 16x20 inches, ready for framing. It will constitute an ornament on the wall of any home and is a real work of art.
