

The Standard of Comparison

Perfect Comfort on the Longest Tour
The "Master Six" Touring Sedan Model 23-41

This smart McLaughlin-Buick six-cylinder touring sedan offers unsurpassed comfort for country touring and city driving as well.

Long and low in appearance, it provides perfect riding ease for five passengers. Its well-knit chassis, new cantilever springs and strong frame take up the jars and jolts of the country road.

Broad plate glass windows give a wide vision to all occupants while protecting them from chilling winds; added warmth is provided by a heater. Comfort for summer is assured by cowl ventilator and adjustable windows and windshield. The interior of the Fisher built body is finished in handsome plush with individual seats in front. Driving conveniences are assured by a longer steering column at a lower angle, complete instrument panel and longer gear shift lever.

The handsome luggage trunk carried on the rear is as practical as it is striking. It will carry a suitcase or small baggage so that the passengers need not be inconvenienced.

There are 15 McLaughlin-Buick Models to choose from
