BRADLEY'S FERTILIZERS.

THE BEST IN THE MARKET. Manufactured at North Weymouth, Mass. The largest fertilizer works in the world.

WHAT SOME OF OUR FARMERS SAY OF IT: Uppon Dyer Village, February 14th, 1896. Dear Sir - I used Bradley's potato fertilizer last spring for potatoes without manure with good results. I used it in the drills, about 300 lbs. per acre. The potatoes made a quick start, and got their growth sooner than those where I used manure, and were a better crop. I have used other fertilizers, but Bradley's is far ahead of any I have tested. Yours, C. E. SHAWVER.
