

WOLFVILLE, N. S., APRIL 23, 1898.

Editorial Notes

Provincial Engineer Murphy arrived in Wolfville on Monday, and in company with Mayor Thomson made a survey of the streets of the town and examined material at hand for road building.

The meeting of the Board of Trade on Monday evening was somewhat disappointing, as other meetings prevented a great many who should have attended from being present.

The time is rapidly approaching when the need of a watering-cart will be again apparent. It is to be hoped that the powers that be will not put off procuring one until this need materializes.

It now looks as though a war between the United States and Spain would result in the United States.

We do not know what arrangements are being made for the celebration of Arbor Day in our schools this year, but trust that suitable exercises may be provided.

The high winds which we have had this spring at intervals have had the result of cleaning out much of the waste-paper and other rubbish that has accumulated in the back yards in town during the winter months.

The Seminary Glee Club's Entertainment.

The concert given by the Glee Club of Acadia Seminary on Friday evening last was very well attended, notwithstanding the disagreeable state of the weather.

The choruses given by the club were exceedingly well rendered and showed careful training. The readings by Miss Estabrook and Emerson were given in a pleasing manner and were well received.

At the close of the programme it was announced by Dr. Sawyer that Prof. H. N. Shaw, of Toronto, formerly teacher of elocution at Acadia, who was paying a brief visit to Wolfville, would favor the audience with a few selections.

Dr. Trotter's Visit to the States.

Dr. Trotter returned home last Saturday after an absence of two weeks in the United States. The visit was primarily for the sake of being present at the annual meeting of the New England Alumni Association of Acadia College.

Notes on Educational Matters.

1. The Boards of School Commissioners will meet in Kentville, on Tuesday, May 10th, in Windsor on Friday, May 13th, and at the Gore on Wednesday, June 16th.

The object of these notes is to call attention of all interested to the April Journal which has just been sent to each section. In it will be found some changes to which you will do well to refer.

The baseball season has opened at Acadia, and quite an interest has already been created. A league has been formed and a series of games will be played for the college championship.

For one month I will offer for sale the lots on the new street, size 60 ft. by 100 ft. and 60 ft. by 120 ft., for \$250 and \$325 per lot.

DID YOU HEAR ABOUT Prof. Warner's Wonderful Preparation of Ozone.

It is the discovery of the age for building up the system and curing disease. Rev. Wm. Doobson, Methodist minister, of Halifax, publicly states over his own name that he was cured of Dyspepsia.

Mr Isaac Freeman and daughter have moved into "Brown Block" and Miss Wyman has opened up her millinery establishment in the south front room.

The Seminary Glee Club concert of last Friday evening proved so great a success in all but weather and finances, that the ladies of the Seminary desire to retrieve their fallen fortunes if they may and therefore plan to repeat the recital on next Saturday afternoon, April 23d, at half past four in Admisse Hall.

1. Matherson & Co., New Glasgow, are building a steel towboat for the S. F. Benjamin Co., of Wolfville. She is 65 feet long, will be commanded by Capt. John McDonald, of Hantsport harbor and will be employed towing scows carrying lumber from the company's mills, at Upper Pelmouth, down to Windsor and Hantsport for shipment abroad.

W. S. Troop has made a proposition to the Digby town council in which he offers to build a large summer hotel in Digby if he is given exemption from taxes and water rates for fifteen years. His plan would be to put up a building to accommodate a hundred guests, at a cost of about \$18,000.
