Mr. H. E. Woodman desires to thank all his friends for their numerous kindnesses and sympathy extended to him in his recent bereavement and also for the many beautiful floral tributes.

In a recent issue our reporter in his report of the School Board meeting made the error of stating that Miss Ernest had applied for the position of Vice-Principal of the school. Her application was for the position of teacher of Grade 8.

Mr. F. W. Fox, editor of the C. P. R. press bureau was in Wolfville on Tuesday and made THE ACADIAN a pleasant call. Mr. Fox visited Grand Pre and made a number of views for use in the illustrated features. He also made a number of pictures of Wolfville for the same purpose.

THE ACADIAN had the pleasure of a call on Wednesday morning from Mr. H. F. McMahon, Canadian Manager of the Lanston Monotype Machine Co., who was making his first trip to this section of Nova Scotia. He was accompanied by Mr. W. G. Mould, the Maritime Province representative.

One day last week the steamer "Prince Albert" broke her crank-shaft while on the trip from Kingsport to Parrsboro, and the service has since been cancelled until repairs are made. The discontinuation of the steamer, even temporarily, has been a decided inconvenience to persons wishing to cross the Basin.

The Wolfville Fruit Company have let the contract for building their warehouse extension and co-operative store to the Bridgetown firm of J. H. Hicks and Son, who are expected to begin operations at once, and who already have begun the building of a new warehouse at Grand Pre for the Grand Pre Fruit Company.

The prospects for a banner apple crop in the Cornwallis and Annapolis Valleys are decidedly good. There was a profusion of bloom and the weather conditions during the season of fertilization was most favorable. Reports state that the fruit is setting unusually well and unless something unforeseen occurs the 1921 crop ought to be a large one.

Miss Winnifred Stephens, late of the Seminary staff, has been visiting Mrs. Elliot Smith this past week. She left yesterday morning for England sailing from Montreal. In the autumn she will fill the position of head instructor as contralto at Anderson College for Women, N. C., also the position as soloist in the first Baptist church in Anderson.

It is most unfortunate that Edward Lewers and his company of English Players should have again been greeted by such a slim house on Wednesday evening when they presented "The King of Tramps" at the Opera House. The play is a good one and was well put on. Appearing personally as "The Noble Outcast," Mr. Lewers delighted the audience by his clever acting. All the parts were exceedingly well taken and the performance afforded keen pleasure to those present. Manager Mason is certainly to be congratulated in putting on a production of such a character.

At a special meeting of the Council held recently it was decided that the salary of the acting Town Clerk be \$100. per month while in that capacity and that the salary of Miss Abbott be \$50. per month.

The time for the payment of town taxes in order to secure the discount, closed on Tuesday afternoon. Town Clerk Bishop and Miss Abbott, his assistant, were kept busy during the last days gathering in the shekels. During the month of May the receipts at the Town Office were in the vicinity of \$23,000 as against \$15,000 during the same time last year. THE ACADIAN's statements of last week were evidently taken note of by ratepayers who profited thereby.

Chiropractic Health Talk

An Appeal to the Prejudiced

(By G. J. Randall, D. C.)

You folks who know good health are fortunate, but your happiness is apt to make you overlook a suffering friend or neighbor.

It is up to you to give the unfortunate health seeker a word of encouragement and not try to discourage. We are all entitled to perfect health, and many people are thus kept from getting it by sheer prejudice. It seems to be the trend of the human mind to discredit things that we know nothing about.

For instance Chiropractic is a modern health science that will stand all the investigation you can give it yet people are ready to condemn it before they know what they are condemning.

My appeal to you is that you will investigate. I do not ask you to take my word, but I do ask you to take the word of those who have had dealings with Chiropractic Spinal adjustments. Those that have given Chiropractic a fair trial, if they speak against it go out and tell your friends. If they speak in favour of it, please tell your friends about that. Do not condemn before investigation, it tends to keep the world in everlasting ignorance.
