Aspirin

Nothing Else is Aspirin—say "Bayer"

Warning! Unless you see name "Bayer" on tablets, you are not getting Aspirin at all. Why take chances? Accept only an unbroken "Bayer" package which contains directions worked out by physicians during 21 years and proved safe by millions for Colds, Headaches, Neuritis, Toothache, Rheumatism, Neuralgia, Stomachache, and Pain. Made in Canada.

All druggists sell Bayer Tablets of Aspirin in handy tin boxes of 12 tablets, and in bottles of 24 and 100. Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monoclonalacetate of Salicylic Acid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

FRIENDS TELL HER HOW WELL SHE NOW LOOKS

"WHAT TANLAC DID FOR MY WIFE IS NOTHING LESS THAN ASTONISHING," DEBIES HALIFAX CITIZEN.

"My wife suffered for ten years from stomach trouble but Tanlac has completely restored her health," said John Bonzang, 33 John St., Halifax, N. S. Mr. and Mrs. Bonzang have lived in Halifax thirty-five years and are widely known and highly respected.

"Mrs. Bonzang's main trouble" was indigestion," he continued. "Her appetite was very poor and she could retain but very little she ate. What she did retain caused gas on her stomach so bad she could hardly breathe. Nearly every day she had dull headaches, was very nervous and would roll and toss for hours at night, getting hardly any sleep. In spite of constantly taking medicine she lost weight and kept getting worse. "What Tanlac has done for her is astonishing. Her appetite is splendid, she has gained in weight and does her household work easily. Her friends are always speaking of how well she looks. We are both deeply grateful to Tanlac."

Tanlac is sold by all good druggists.
