have not yet been adjusted, yet the which took first prize at the Moncton Americans acknowledge their liability. They also admit that they can be made to pay damages for every has also fine colts by Grandee and by be made by the section of their own. Peter Blair.

Messrs Wm. Hickman and Willard kees catch a Tartar in the shape of a Wilkes colts, vessel belonging to a nation that won't deal so leniently as Britain does, or some schooner that can outfight their revenue cutters.

1954,206 in bonded debt and \$33, arrive-from Pugwash this week.

725,610 floating debt. During the past ten years, the bonded debt has decreased and the floating increased.

The decrease, by sections, is as followed by Mr. Jackson, and while at anchor off the dock on Single Pugwash and While at anchor off the dock on Single Pugwash and While at anchor off the dock on Single Pugwash and While at anchor off the dock on Single Pugwash and For the Trainian arch will be a series of the pagwash and for the Trainian arch will be a series of the pagwash and for the Trainian arch will be a series of the pagwash and for the Trainian arch will be a series of the pagwash and for the Trainian arch will be a series of the pagwash and for the Trainian arch will be a series of the pagwash and for the Trainian arch will be a series of the pagwash and The decrease, by sections, is as follows: Eastern States, \$11,296,117, Sunday last. lows: Eastern States, \$11,296,417, or 22 per cent; Middle States, \$11,397,482, or 24 per cent; Southern States, \$28,022,964 or 21 per cent, and Wastern States, \$3,752,920 or 7 per cent. The reduction of the debt que. engine, and will lift ten tons. 7 per cent. The reduction of the debt as been mainly brought about by applying the revenue earnings not ded for current expenses, to the

An idea of the immense quantity of food imported into Great Britain, may be learned from the following mare.

—The roads toward Tidnish are in a figures: During the four months ended April 30th, the value of the animals imported into Great Britain for food, was £2,679,984, against £2,-304,658 last year. There were 124, 975 oxen or bulls against 90,080 22,213 cows, 22,162 calves, 34,383 sheep and lambs, against 219,841 last year. Of the oxen imported, 100,010 came from the United States, against 64,743 last year, and 42,585 in 1888 ports was £7,042,776,against £6,110,-£1,122,973, against £777,638; eggs, £1,048,276,

THE Quebec elections came off on

A New Stock Farm

Behring Sea.

THE American government cocasionally does what must appear to nations versed in diplomatic affairs, as very peculiar things; and, not infrequently, it demonstrates to the world, the intellectual poverty of some of its statesmen. The latest stroke is ordering two of their eatter to Behring Sea, with instructious to be not apply only to the three mile limit, but to the whole sea, and is in total disregard of the fact that, outside of that limit, the waters are the common property of the world. The United States claims that Behring Sea is a closed sea, and consequently territoral water; but the plea will not be a poticed outside the fast three years—twelve in number — have norbyet been adjusted, yet the Americans acknowledge their liabil.

This may work well until the Yan- Wilbur, of Dorchester, have two fine worthy members the total membership

-The work on the Tidnish end of the

Two tugs have been sent from Boston to St. John, to tow to the former port the immense raft of piling which James D. Leary has constructed. It will be remembered that the raft built by this shipper at the Jogeins some force there are several steam with the raft built by this shipper at the Jogeins some force there are several steam withhes by this shipper at the Joggins some time ago, came to grief on the transit. but this one will have many features which will lessen the chances of fail ure. It will be built in 17 sections, and each log will be bound and bolted so that the sections will be given shape.

and each log will be bound and bolted so that the sections will be cigar shaped and about 100 feet long. These sections will be joined by means of strong hawsers and chains and every strong hawsers and chains and every precaution will be taken to secure chains draws it up. Each shoveful constrength in the coupling. Should an

trength in the coupling. Should an accident occur, any of these sections may be separated from the rest. The whole raft will have the appearance of a mammoth serpent.

The results of the eleventh census of the United States have just been published and, among other things, throw some light upon that nation's indebtedness. The total debt is \$228,584,816, consisting of \$194,1954,206 in bonded debt and \$33,725,610 floating debt. During the

applying the revenue earnings not needed for current expenses, to the redemption of the obligations. It is a remarkable fact that the Southern States did better than either of the other States, with Louisana that piled up an enormous debt.

—Never in its history did Baje Vert great such a business. Ike appearance the other States, with Louisana that piled up an enormous debt.

—Sixty years ago railroads were unknown in this country, and the population of the United States consisted of 12,000,000 people. To chay we operate upwards of 155,000 miles of railroad, and our population has in creased to 60,000,000. Sixty years ago the suggested wealth of the United States was less than \$1,000,000,000. Sixty years ago the States was less than \$1,000,000 (000). The population of the United States was less than \$1,000,000 (000). The population of the United States was less than \$1,000,000 (000). District Meeting.

was missionary, and \$1185 for the child-rens fund.

The district received from the mission

ary fund for ministerial support \$807, from the childrens fund \$1090. After revising the membership roll deducting the number of deaths, removals and unworthy members the total membership is 1948. There are 74 preaching places. 40 Sunday Schools, 2284 scholars, 240 teachers, 3969 volumes in libraries. Four circuits, Tantramar, Bayfield, Shediac and Alma, raise less than \$300 per year for the support of their ministers. Deducting from the cost of keeping horse, and carriage, where one is necessary these circuits pay their ministers less than many a well-to-do farmer pays his hired man.

Messrs W. F. George, Abel Atkinson J. R. Inch, Wm. A. Wells, J. D. Dixen G. R. Sangster, Martin Trueman, A. E. Chapman, Walter Dobson, Johiel Peck, John Matthews, Wm. McNaughton, Thos Nicholson, A. D. Smith, J. L. Black, Martin Chapman, Cyrus Goodwin were elected delegates to the conference. Resolutions were passed thank-

ference. Resolutions were passed thank-ing the friends of Baie Verte for their

McKean, St. John, together with sty of the sentenced at Tidnish. James Hick man, of Amherst, will load four. The recent favorable winds have brought the vessels in together, and the loading will be somewhat retarded by the scarcity of deals at the port. It is is billiored, however, that the eargoes will be placed in time and demurrage saved.

—The village looks very pretty at present with all the fruit trees in bloom. There is every indication of a good fruit crop.

—Mr. William Proscott has a fine your, and the loading sucker colt by Alright out of the same loor of the Cumberland Ry. & Coal Co. Beat the condition. Immense ruts and holes make travelling there very unpleasant.

—Tidnish.

—Owing to the late cold weather the crops appear somewhat backward.
—Our little port is crowded with ships twenty two are lying in here loading with deals. Several steam tugs, dredge shade in the condensation, the travelling public as the crops appear somewhat backward.
