Mr. Steadman Crandall, postmaster at Moncton, died early on Thursday morning, after an illness of about five years. He was 68 years of age.

The circulation of the Advocate is going up by leaps and bounds, as a result of the big voting contest now being carried on.

Mrs. Mary Gunter, Mrs. H. H. Gunter, W. D. Gunter, of Fredericton, and J. H. Richards, of Boiestown, have donated \$1000 for the purchase of a machine gun.

The Douglass band held a very successful tea and ice cream social in the Temperance Hall on Monday evening, the 9th inst. The success of the affair was due to the young ladies who gave their assistance. \$63.77 was realized.

The big Voting Contest, being conducted by the Advocate, will close on August 26th. The leading contestants are working hard for first place. There can only be one first prize. Now is the time to get real busy and assist your favorite contestant. As the closing hour draws nearer, the interest waxes warmer.

No. 75 westbound Fast Freight jumped the track while running at a high rate of speed around a curve near Riviere du Loup early Thursday morning, piling up fourteen cars and tearing up the roadbed. It is reported that the truck was tampered with.

The new I. R. C. restaurant at the station, which is being conducted by Mr. John H. Thompson, is meeting with great success, and is a long-felt want supplied. Mr. Thompson is a capable and obliging man, and is the right man in the right place. The hours for lunch are from 5 a. m. until 5 p. m.

James Creighton died Wednesday night at his home in Woodstock after several months illness. He was about fifty-two years of age, and a native of Halifax. He is survived by his wife. He had been engaged in the banking business for many years.

"Jack Doran, one of the best known hunters' guides in New Brunswick and formerly a well known baseball player on the old champion Fredericton Tartars, has enlisted to fight for his King and country. He and his son Frank are with the 55th New Brunswick and Prince Edward Island Battalion, now in training at Valcartier.

Some eight or ten carloads of machinery have arrived lately for the Fawcett Foundry, Sackville, for shell making purposes, and two of three more carloads are expected. The machines are being set up as rapidly as possible, but it will likely be some time yet before the actual work of making shells is under way. The new machines will give employment to a good many extra hands.

Mrs. William Hazen, a returned missionary from India, who is visiting in St. John, delivered an interesting address in the Waterloo street Baptist church, St. John, Wednesday evening. In her discourse she pointed out the loyalty of the inhabitants of India to the Empire. She said the native press is calling for recruiting campaigns.

New Glasgow, N. S., citizens have contributed six machine guns to the Empire.

In the I. C. R. machine shop at Moncton, on Thursday, a flying chip of steel struck Fuller Hicks of Georgetown, piercing one eyeball and destroying the sight of the eye.

The seven-year-old son of George Gallagher of Canada, who had his foot crushed while jumping on an I. C. R. freight at Canada Station, is resting comfortably at the Moncton Hospital and it is thought that amputation will not be necessary.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Chatham Young Man Poet and Inventor

William Wallace Craig Issues Second Edition of Poems

William Wallace Craig, a young man of Chatham, N. B., is gaining a very enviable reputation as a writer of poems.

The Advocate Job Department has just issued the second edition of a series of poems from Mr. Craig's pen, which is meeting with a ready sale throughout the county of Northumberland, and the North Shore. These books are neatly printed, and can be had at the Advocate office, besides through Mr. Craig.

Mr. Craig composed his first poem when he was only seven years of age, and the first time he had any published was when he was sixteen years old. This was a poem he had published in the Young Soldier, Toronto.

Besides his ability as a poet, Mr. Craig also has a number of inventions of his own, among which is a mechanical mathematical calculator, a device that is looked upon with much favor by contractors and builders. Mr. Craig is also a first class sheet metal worker with a life experience. He is an ambitious young man, happy in his overalls, and has a bright future ahead of him.

WHEN USING WILSON'S FLY PADS READ DIRECTIONS CAREFULLY AND FOLLOW THEM EXACTLY. HALCOMB

Aug. 11--The marriage of Miss Eliza Harris, daughter of Mr. and Mrs. David Harris, Halcomb, to Elisha Johnston, of the same place, took place at the bride's home on Wednesday Aug. 4th. Rev. J. P. McCurdy officiating. The bride was unattended. Mr. and Mrs. Johnston will reside in Halcomb.

SUMMER HEAT HARD ON BABY

No season of the year is so dangerous to the life of little ones as the summer. The excessive heat throws the little stomach out of order so quickly that unless prompt aid is at hand the baby may be beyond all human help before the mother realizes he is ill. Summer is the season when diarrhoea, cholera infantum, dysentery and colic are most prevalent. Any one of these troubles may prove deadly if not promptly treated. During the summer the mothers best friend is Baby's Own Tablets. They regulate the bowels, sweeten the stomach and keep baby healthy. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

USE BEAVER FLOUR IT IS THE BEST. The Woman in Halifax Who Didn't A little incident about "Beaver" Flour. MRS.—(well, never mind her name) couldn't make good Pies with "Beaver" Flour. The crust was "always heavy", as she told her grocer. He couldn't understand it, because he was selling "Beaver" Flour to all his customers. In fact, none of his customers would use western wheat flour after trying "Beaver" Flour. The grocer asked Mrs.—how she made the pies. The recipe seemed all right until she came to the water. "What kind of water do you use?" "Why, WARM water, of course", exclaimed the poor young bride. "Well, just try COLD water, ICED WATER, and you'll have the kind of Pies you read about."

Woodstock Summer School of Science

(Continued from page 2)

they have not acquired the skill of properly handling their tools? How far more advanced our farms and our localities in general would be if every boy in the rural school were taught the proper use and care of tools. Our aim in the teaching of the rural school should be in a measure to satisfy the educational requirements of the district, and one of the essential needs of every school boy is a skillful training in manual work; which apart from the economic view elevates labor to its plane of dignity; while the boy becomes more closely related to nature and nature's produce.

When we teach Manual Training to the child in the Rural School, we are preparing him for his future life work. The child instinctively becomes familiar with the work, and creates in himself a liking for it, because this teaching is following along the natural trend of the boy's life, and the teacher is working along the line of least resistance to the child, thus producing better results. What boy does not find unbounded delight in his jack-knife? Now manual training places in the hands of the boy jack-knives of modified and varied type, which may be guided by him in making projects such as farm gates, poultry crates, ladders, hay racks, whitetrees, sawbucks, buildings and sheds and if need be, furniture.

What boy could not be interested in this work? And it is this interest that will tend to keep the boy at school longer than the ordinary farm boy's period of schooling. At school then the boy would be interested, and there he would naturally bend his efforts.

This work in the rural school has also the important outcome of quality of associating school and home. In such a way as to cause more interest to be taken in the work by the parents; who begin to realize among other things the economic view of dollars and cents in connection with their boy's education. Can we not picture this effect upon the community at large, when farmers and boys begin to see that their source of comfort and produce may outcome from the proper handling and care of farm tools.

Do you try to buy high-grade printed matter the same as you would pig iron and coal at so much per. It can't be done. Why? Because printed matter to be RIGHT must be sixty per cent. brains mixed with forty per cent. of material and mechanical execution. Printed matter turned out of the Advocate Job Dept. is RIGHT.

Be Loyal To Your Own Community

10 CENT "CASCARETS" FOR LIVER AND BOWELS

Cure Sick Headache, Constipation, Bloating, Sour Stomach, Bad Breath—Candy Cathartic.

No odds how bad your liver, stomach or bowels; how much your head aches, how miserable you are from constipation, indigestion, biliousness and sluggish bowels—you always get relief with Cascarets. They immediately cleanse and regulate the stomach, remove the sour, fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. A 10-cent box from your druggist will keep your liver and bowels clean; stomach sweet and head clear for months. They work while you sleep, in like manner.
