

you were asked to name the most pronounced feature of our Dental Office, we would, with hesitation say: "It's sterling reputation for reliability."

to explain this more fully, we would point to the skilled specialists who are employed in the painless, gentle and courteous manner in which the patients and the extremely reasonable schedule of charges. Dental treatment of the highest standard of character, as the most convincing proof of this reliability, we would point with great pride to twenty-five years of public confidence and the endorsements of thousands who have received dental attention at our hands. Those who seek a reliable dentist, this has a deep meaning.

ARTHUR B. COBB Dentistry

Formerly known as "White Dental Offices", Dr. Cobb's Office: Corner of Main and Eagle Streets, Buffalo, N.Y.

Open until eight, No Sunday work.

Howard as Chief of Staff and in Command. Many matters of any important bearing upon the future policy of the Salvation Army, and its reconstruction would be taken up at this meeting. It is expected that on his return, Richards will have something to say in regard to the questions of the policies to be followed.

Street experienced a sharp decline in prices.

Wood's Peppermint Cure
The Great English Remedy for Coughs and Croup. It soothes the inflamed throat, loosens the phlegm, and restores the voice. It is a powerful expectorant, and is the best remedy for all respiratory troubles. Price 25c per bottle. Sold by all druggists.

line is a single circuit common by two subscribers. It is not reserved for a subscriber, but should be used on the same basis.

line it is impossible for a subscriber to use the same line. Where both parties are wanted to receive incoming calls, a special consideration is given to a party-line user.

are special considerations given to a party-line user.

ons prevent the use of the subscriber, therefore party-line should be as brief as possible.

er party-line subscriber receives the line for an emergency, be prompt, the first user to pick up the use of the line.

er party-line subscriber takes the hook and finds the line in use, it should be replaced at once.

conversation the receiver should be placed upon the hook immediately. The other subscriber cannot use the line.

to give the operator the letting a party-line subscriber.
