THE HURON SIGNAL FRIDAY, SEPT. 19, 1884.

The Greyhound did the same and pre- stood in dumb silence, rooted as it were strode to the side to descend into the ently a boat was put over the side, into to the spot, unable even to take his eyes boat. As he was about to go over the which they could plainly discern Ray dolph descend with a pretty large force. who with erect form and folded arms, Then the boat was put off and the oar-

tace, Willy and Ralph according to presmall window on his countenance. 'Well, sur?' observed Eustace. after vious arrangements went below and shut

themselves into the cabin. Ralph also the silence had lasted for some moments. took up an unseen position in the fore-'Our presence here seems to surprise eastle, while Captain Donaldson paced to yon, and I presume it is not less undeand fro on the afterdeck with quiet un- sirable than unexpected.'

collect his scattered senses. 'You are right,' he said with a scowl

ed closely by his men, his face flaming with mingled anger and triumph. He at once advanced to where Donald.

rejoined Eustace. 'You well know that your conduct entitles you to no consider-'So, sir,' he began, 'you have obstination from me.' 'Your consideration I neither ask nor

you ?' 'Indeed !' returned Donaldson with a spectable profession of a smuggler-a fit meer. 'You talk very big, and I am enough career, I dare say, for one of

corry to see that you have not improved in manners since the last occasion on which you forced yourself on board my vessel. Now, sir, try to be as civil as is

possible for you to be and acquaint me, when I was galled by your malice, bewith your errand.' 'Ha ! insolent as ever.' said Randolph

for this night's defiance.' proceeded to a summary discharge of have I manifested either ?'

This work was conducted with vigor, but no unseemly haste. It was in no sense the effect of a panic, but the cool, de-'I did, sir-the moment it was made liberate carrying out of a calmly matured

The larger portion of the cargo was Abb's.' now got rid of, and as the remainder could easily be tossed out by the men, the Captain and Eustace returned to the deck to take and conduct the necessary

measures there. Meanwhile the chase and flight continued unabated, and the hours of that night passed slowly away.

Captain Donaldson kept his post on the deck near the helmsman, and occasionally gave him directions as to the course of the vessel, keeping at the same time a continued survey astern upon the dark speck which was known to be the Greyhound, which speck was often lost for some minutes, but invariably re-appeared, and always directly in the wake of the lugger. Randolph was following the chase with determined pertinacity, and seemed resolved on making a capture, though he should have to sail fifty.

miles for it. On one of the occasions when the cutter was lost to view, Eustace suggested

from the calm but stern face of Eustace, bulwarks, a chuckle met his ear, and looking round he encountered Ralph, stood in the middle of the cabin, with whose expression of countenance was blades made to flash in the water, Eus- the morning light streaming through the singularly significant.

is the sheer and clear result of profuse-ness, want of forethought, idleness, and worst of all, drunkenness! that is the master evil. If drink could be got rid 'My revenge is coming,' whispere gamekeeper. 'The squaring of the account is just about to begin. Good bye, nephew, till we meet at Bengarry." A furious scowl was all the notic

being rowed to the cutter, (TO BE CONTINUED.)

If you thould visit Central Park some fine morning you might see young Shep, the collie that is being trained to take the place of old Shep, the 18 year old veteran, at his lessons. He is never whipped, not even when he does wrong chase. Do you know that instead of hailing and boarding you just now, I would have been justified in sinking mine, since I am officer in the revenue doesn't carry out an order correctly, or in such a way that the sheep can under stand him, old Shep is sent with the same order, and Shep Junior is made to keep still and watch him until it is executed. His first lesson is simply to guard a hat or a coat or a stick thrown upon the grass by the shepherd, and he is left out with it sometimes until late

ten thousand times over to night I think you would sav, "God help us by all means to save some." Since the great axe to lay at the root of this deadly upas me,' returned the other. 'The time was in the evening, to show him the imporwhen I was galled by your mande, or in the evening, to show min the importance of physical power by which it was supported; but that power you no longer possess, and we meet on equal terms. work constantly with it till the huge trunk of the poison tree begins to rock to and fro, and we get it down, and London is saved from the wretchedness and misery which now drips from every bough.—[C. H. Spurgeon. This being so, I can quite afford to treat sent on the trail of a lost sheep, with inwith contempt any words which your vile structions to bring it back slowly. The most important lesson, and one young

Try Ayer's Pills, and be cured.
