THE THOUGHTS OF THEOBALD.

LUXURY AND NECESSITY.

A line of type evidently got astray make from being as forcibly plain as Council is spending many thousands of dollars on making a tarvia road in one of the least populated sections necessities staring us in the face. It that of the 6000 houses in the City, one if we had nothing to look forward to, Indigestion. these houses are right in the heart of the City, and in good localities as well one of sanity. The world would reas bad. I do not intend to paint the present to-day a great slaughter house conditions under which such people if there was no Hope that eventually live and all they have to put up with; this slaughter of men would end and the fact is a disgraceful one and it is usher in a better day. rendered more disgraceful by the half hearted attention it receives and the wholesale enthusiasm in which cement drains are put in localities where only rainwater soils the drains, day's accident was caused by care- and in making tarvia sidewalks and lessness and that it should not have Finest Triumph of Right road on Duckworth Street. A good happened, and that the removal of road is a luxury; water and sewerage the rails to Queen Street would make a necessity. I know \$10,000.00 has the danger of runaway cars even lately been borrowed to install sewerworse than at present, as motormen age, but that will at the most only would feel too safe with such a long lve the problem for 150 houses run before them and would be inclined to let the car travel fast over There will be 1850 houses still left.

The City woke to the week's work of houses now built and building on last Monday to find that not everyone the higher levels. I should think it had had a quiet Sunday or an unevent- possible to drop the line from Rawful one. A little boy killed, a man lins' Cross to Adelaide Street, conhome to find his wife dead, a man sent | wall Avenue, thence by way of Hamilses bridges gone and railroads Street. As far as the row and his worry, but after all what mean a very great convenience to worry can equal the wild grief of that them. If the Reid Nfld. Co. do not vice battalion, has been in the thick of mother who saw her child killed be- feel like doing it—perhaps it may be the fighting East of the Ancre and feel fixe doing it—perhaps it may be fore her eyes, and the dead pain and remorse of the man who unwittingly did it? What trifling disappointment can approach the speechless sorrow of that man who came home to find the wife he had left only a few days in health and happiness no longer able to greet him? And yet we are full of disappointments, or think we full of disappointments, or think we are. There are few who are not irrifore her eyes, and the dead pain and left to the New City Electric Co. to was wounded Northwest of Pozieres. know what sorrow is,—or rather what are no expenses of rails, overhead fighting in all this war. I believe he is perfectly right, and so for the convenience of the families. it is that Hope is become our faith- For instance if this was done on such ful ally and without it the outlook roads as to Broad Cove, Portugal would be gloomy indeed. If there was Cove and Torbay, there are many who no Hope, what comfort would be left would be glad to build houses on these

day gave his consoling thought that Council might enquire into this and pers taken on prisoners, as well as God would not be consistent with His see if some parts of the City cannot from what they have said, that the own nature if He did not supply the be served in this way. It would mean Boches gave orders over and over solution of all sorrow and the level- a big boom in suburban building if again that this ground was to be held ling-up of life's inequalities, and that the City had some motor buses which at any cost at all. Fancy trying to we should never have been given the would run to town early enough to hearten up your men by telling them social characteristics we possess, and bring men to work and bring them in effect that the survivors would be the ideals we dream, if we were not, back to dinner and tea and run two court martialled! That sort of thing somehow, somewhere, to realise them. or three times during other hours illustrates the difference between the general spirit in their army and in "Mind you, it doesn't mean that the

Boche morale is broken. Not a bit of it. They have a magnificently efficient fighting machine. But their system is different from ours. It is their policy to drive and it is ours to lead. The way they will march straight into certain death is extraordinary. I only know of one thing finer, and that's the way our chaps will do it. That really is much finer, you know, because with us there's no driving power at all, but the free will and de-

that line from Ovillers to Delville

Stops the Pain Quick-Acts Like | best for big pains, and best for all

When one has acute rheumatic pains, stiff joints or a stiff neck, don't experiment — seek a remedy that termination of the men themselves cures. Like lightning in rapidity, as and their officers. Nerviline can never be surpassed for es coming over with their hands up

Do not trifle with ordinary or oily broken before you can break its mor efficacy—its the one liniment that and will carry on with it, because the rubs right into the core of the pain.

The concert and khaki sociable held last night at Sudbury, the residence on their trained nurses more or less, but the thousands of mothers of the middle class are left to experiment for themselves, usually at a cost of their health or of their domestic happiness, and at the risk of their little once lives.

Few young women have been told much about the care of babies and no one knows but a mother how utterly helpless and overwhelmed, she feels when the little live bundle is placed in her care for the first time. She realizes that its health, both of body and soul, depends upon her, and not only that, but perhaps the whole happiness of the family is hinged on her care of that baby.

THE RAPION NO. THE CONCERT AND LESS, surgest and as a saisted in passing around the family is hinged on her care of that baby.

THE RAPION NO. THE CONCERT AND LESS, surgest and soul, seement, which were of soldiers who were pressent assisted in passing around the test. The sum of \$130,00 was realized which is a handsome amount to start the ball a-rolling. The promoters are to be congratulated on their success and there is sufficient the best care fair and there is sufficient the best care of that baby.

The concert and khaki sociable held last night at Sudbury, the residence of Mrs. C. R. Thompson, proved a great success and was declared by the Board of Trade from many centers are independent on the city, the fort is wise are independent to the city, had for its object the raising of a fund for disabled soldiers; though in what manner the fund will be disposed of is not yet decided. Mr. Alex. Robertson presided and announced the disposed of is not yet decided. Mr. Alex. Robertson presided and announced the disposed of is not yet decided. Mr. Alex. Robertson presided and announced the life is placed in her care for the first time. The first time of the firs
