How to Use Crisco

In deep frying use Crisco as you would any other fat. But remember this: By straining Crisco you can use it again and again. For example, after frying fish in Crisco you can strain it and then fry potatoes. The potatoes will not taste of the fish. For all frying and cooking purposes Crisco is the ideal fat. At grocers.

BUICK STANDS HARD SERVICE.

"My fourth Buick is undoubtedly the best car I have ever driven," writes Mr. Theodore Cartier, sole distributor of Blue Bonnet Brand Vegetables, grown in the Magic Valley, San Benito, Texas. "It is fast, has a quick get-away, no vibration; I would not drive a car without four-wheel brakes."

"I drove my 1923 Buick 24,000 miles in ten months and I am still using it in my business. I make a trans-continental trip each year, which takes me to Boston, then across to Portland, Oregon, and down through California to Los Angeles, and back to the Lower Rio Grande Valley. I do not believe that there is any car that will stand the hard, fast, continuous driving that a Buick will."
