James Graham, of Komoka, Canada, an old resident of the Soo, is visiting with the family of David Miller. He arrived last Thursday on the steamer United Empire. Mr. Graham has nothing but words of praise for the officers and crew of the steamer, who, he says, cannot be surpassed both for gentlemanly conduct and their first-class treatment of the passengers. Mr. Graham was at one time highway commissioner for this county, and is an old and valued friend of Judge Steere, who was at that time township clerk.—[Sault Ste. Marie Herald.

Apple Blight.

From what can be learned a general blight has fallen on the apple crop in this district. The farmers are talking of nothing else, and many theories have been advanced as to the cause. There has been no frost, but it is generally believed that the peculiar electrical condition of the weather during the past week or so has been the reason. The fruit was just beginning to form, but the germs of the apple seem in some mysterious manner to be blasted, and are literally rotten. The same report comes from Elgin county.

A Radical Remedy.

On Monday afternoon Mr. Harry Pearce,
G. T. R. baggageman here, met with a
rather unfortunate accident. In working
among his bees he was stung by one of
them, and being told that ammonia would
give relief, he thought he would try it.
Mr. Thos. Welch, drug clerk, was at the
station on business on the day mentioned,
and having a bottle of ammonia with him,
the desired opportunity was offered. In
opening the bottlethe liquid escaped rather
suddenly, and quite a quantity of it came
in contact with Mr. Pearce's face and eyes,
the latter particularly suffering, and he is
now laid up. Mr. Welch also came in for a latter particularly suffering, and he is we laid up. Mr. Welch also came in for a the latter particularly makes of the pungent liquid, but escaped much lighter than the baggageman.—[Strathroy Age.

A Call Extended.

At the call of the Session Board of the St. James' Presbyterian Church, Tuesday evening, a large and representative gathering of members and adherents was held in the body of the church to give their views as to whether they were prepared to extend a call to fill the vacancy caused by the resignation of Rev. D. McGillivray. Rev. Mr. Ballantyne, of Knox Church, in the absence of Rev. Mr. Sawers, officiated as moderator. By a unanimous vote of the congregation it was decided to proceed with the selection. The names of Revs. Dr. Booth, Barron, McLearn and Talling were proposed. The result of the first ballot was in favor of Mr. Talling, and after the second ballot, by a unanimous vote, it was resolved that Mr. Talling be the choice of the congregation, a meeting to extend the call to be held on the 30th June. Rev. Mr. Talling is a young and clever man, just cut of college, and is very highly spoken of in Toronto' and surrounding places.
