(20) TWENTY YEARS AGO HARK-
NESS' BRONCHIAL SYRUP was first
manufactured in this city, and at that
time in a very modest way and the
then manufacturer never imagin-
ing that after TWENTY YEARS his
formula would become so popular
and in such great demand as it is to-
day in the city and Province. There
are preparations that have come and
gone by the hundred during these
(20) TWENTY YEARS, but HARK-
NESS' BRONCHIAL SYRUP is still a
FAVORITE with thousands even in
this city, and still growing in popu-
larity as a specific for all bronchial
affections, including coughs, colds,
croup, bronchitis and asthma. It is
manufactured in the laboratory, and
under the personal supervision of W.
S. Bryers Barkwell, Chemist, and
every care is exercised to have this
reliable Remedy exactly the same as
it was when first put up by the late
firm of T. W. Harkness & Co. (20)

London and Environs

—Mr. Andrew Denholm, the genial
editor and proprietor of the Blenheim News,
was an "Advertiser" caller yesterday.

—Mrs. John Buckingham, of 752 York
street, is recovering after an illness of two
months with inflammatory rheumatism.

Rev. H. C. Speller, of Sarnia, formerly
of London, has declined the call to the
pastorate of the Center Street Baptist
Church, St. Thomas.

—Rev. Robert Johnston, pastor of
St. Andrew's Church, is recovering
from a severe cold, which he contracted
a few days ago. It was at first thought
by the medical attendant that the cold
would develop into pneumonia.

—Three more of the new electric cars
arrived in the city yesterday from St.
Catharines. They were unloaded at Rich-
mond street, and as soon as they are wired
they will be placed on the London fourth
line.

—In the report of the colored Oddfel-
low's concert in Heart's Hall, Thursday
evening, Mr. R. A. Brooks should have
been credited with impersonating Brutus in
the scene between Brutus and Cassius
(Mr. Taylor). Miss M. Lewis did not ap-
pear on the programme as stated.

Chief of Police Dodd, of Strathroy,
has been sent to Port Arthur to bring
back a young man under arrest there,
supposed to be John Patterson, the
missing assistant teller of the Strathroy
branch of the Traders' Bank. Pat-
erson is alleged to have stolen \$4,800
from the bank. He disappeared sud-
denly in June last.

—It is understood that Dr. Warden has
practically decided not to accept the ap-
pointment of the Presbyterian General
Assembly to the financial agency in Toron-
to, as successor to Dr. Reid, at least at the
present time. He will render any assist-
ance that may be called for by the state of
Dr. Reid's health until the next Assembly.
This decision throws the whole question
open for reconsideration.

—Mr. O. W. Shipman, the coal merchant
of Detroit, who talks of instituting a line of
boats between Port Stanley and Cleveland,
was one of the gentlemen who tendered for
the lease of the L. and P. S. R. R., offering
\$15,000 per year for it. Unfortunately his
offer arrived too late to be taken into con-
sideration. Mr. Shipman declared that his
plans for the new line will go through, and
a Cleveland banker asserts that Shipman's
standing is such as to make it seem likely
that he will push it to completion.

treatment. Twenty-one were discharged as
cured and one as improved. Four deaths
occurred. James Quinn, the veteran news
vendor, being one of the number. Ten of the
discharged were paying patients, 13 were
sent by the city, and 3 by the county.

Mr. C. F. Complin inquired what amount
of the appropriation was still on hand.
"We will be pretty close to the
estimate," replied Dr. Balfour, "because
there have been a lot of extras paid in con-
nection with the new operating room."

Mr. Complin—But we will get through by
close figuring.
The floor of the new operating room will
be examined by the trust's architect, Mr.
Fred Henry, and if considered satisfactory,
will be accepted.

The trustees present were Col. Lewis
(chairman), C. F. Complin, T. H. Purdom
and Dr. Balfour. Trustee Gilmour was un-
able to attend through illness.

"JOHN TAMSON'S MEN."
A meeting of St. Andrew's Society will
be held at Jones' auction rooms tonight to
complete the arrangements for the celebra-
tion of St. Andrew's day at the City Hall
on Friday evening next. Ald. Jones calls
the forthcoming soiree his own. "For
years," says he, "I have fought to have the
day celebrated in such a manner as to permit
of the ladies participating, and at last I
have succeeded. Now I want the ladies to
turn out and bring their children; and I
want them to see to it that 'They're a'
John Tamson's bairns." The celebration
promises to be the most successful and en-
joyable ever held in the city of London.

Miss McIntosh, the celebrated Scotch elo-
cutionist will be present. Besides the con-
cert there will be a supper and a short toast
list and afterwards an assembly.

Kur-a-Kof will cure coughs and colds,

CATARRAH DEAFNESS OF
TWELVE YEARS' STANDING

Cured by Dr. Agnew's Catarrhal Pow-
der—An Extraordinary Experience.

Catarrh nearly always leaves its
mark after it. These are frequently
revealed in deafness of the victim. A
case in point is that of Capt. Ben
Connor, of 189 Berkeley street, Toronto,
who was deaf for twelve years from
catarrh. No medicine or treatment did
him any good, until he procured a
bottle of Dr. Agnew's Catarrhal Powder
which gave immediate relief, and con-
tinuing to use it, the deafness in a
short time was entirely removed. Mr.
Connor's friends, who knew the ex-
tremity of the malady, are loud in
their praises of the medicine; and Capt.
Connor himself who he only too glad
to answer all inquiries concerning his
case and remarkable cure.
