PRESIDENT CASTRO'S APPEAL TO THE PEOPLE OF VENEZUELA

Urges Them to at Once Take Up Arms.

THE ARRESTED MEN RELEASED

Venezuelan Minister of War Reaches La Guaira With 2,000 Troops—

MAY 11, 1902.

La Guaira, Dec. 10.—All the British and German subjects arrested yesterday were released this afternoon.

The news of the capture at Port of Spain, Trinidad, of the Venezuelan gunboat Bolivar, by the British cruiser Charybdis, was communicated to President Castro by a representative of the Associated Press. The event created intense excitement.

London, Dec. 11.—The foreign office at 1 o'clock this afternoon was still without official news from Venezuela. The officials were glad to hear of the release of the British subjects, but were unable to express any opinions on the press dispatches except to say, as Under Foreign Secretary Cranborne did, that it is presumed they are correct.

CALL TO ARMS.

Paris, Dec. 10.—A Venezuelan Government communication to its representative here protests that Great Britain and Germany in concert have committed an act of hostility in a manner as arbitrary as it is unprecedented by the seizure of Venezuelan vessels lying at La Guaira. The communication says that indignation in Venezuela is at its highest pitch and the Government is resorting to justifiable reprisals.

At the same time, adds the communication, President Castro has appealed to the Venezuelan people to take up arms. He has decreed a general amnesty for all political offenses and has ordered the restitution of the confiscated property of Venezuelan citizens.

WITHOUT PRECEDENT.

Washington, Dec. 10.—It was said at the British and German embassies today that the action of President Castro in ordering the arrest of all subjects of the British and German governments in Venezuela was without precedent in the history of civilized countries supposedly at peace with each other, and that such action would be regarded as sufficient ground for a declaration of war.

PROMPT ACTION.

La Guaira, Dec. 10.—The Venezuelan fleet was captured yesterday by ten German and four British cutters. They went alongside the Venezuelan vessels and ordered them to surrender, and without a shot being fired the British and German forces seized the Venezuelan fleet in the name of the German Emperor and the King of England. Two of the vessels which were undergoing repairs were broken up. The German cruiser Panther steamed into the harbor during these proceedings with her decks cleared for action.

At 5 o'clock this morning a landing party of 20 British seamen went to the British consulate and conducted

many humorous references to what they term President Castro's "magnificent manifesto" cabled to the representatives of Venezuela in Paris and made public last night.

The Vorwaerts, which never loses an opportunity to assail what it considers to be "political sham," says it thinks the formidable ultimatum of the two powers and the naval demonstration are "governmental bluster, a fine piece of pretence and international nonsense," suggested, however, for the promotion of certain financial aims.

The paper adds: "So far as Germany is concerned, the action taken is likely to do more harm than good, since \$150,000,000 of German capital is invested in Venezuela. The United States must feel secure satisfaction at seeing Germany ruin its dominating position in Venezuelan commerce and finance and must hope to supplant German by American financial influences."

"DEATH TO THE GERMANS."

Willemstad, Island of Curacao, Dec. 10.—There was a great patriotic demonstration in Caracas last night, when the news arrived that the British and German warships had seized the Venezuelan war vessels at La Guaira. Crowds paraded the streets, singing patriotic songs. Violent speeches were delivered, and the residents of the capital marched to the palace of President Castro, who made an address. The mob then moved on to the German legation, shouting "Death to the Germans."

The crowd then marched to the German consulate, again stoning the windows and attempting to force an entrance. The police made no effort to disperse the demonstrators, and the riot was still intense when at 10 o'clock at night the Government ordered the arrest of all German and English residents. One hundred and 205 persons, prominent in social and commercial life, were crowded together in the police station.

The local bye-elections in the third district of King's and the second district of Queen's, P. E. I., were held yesterday. W. A. Morson (Con.), of Charlottetown, defeated McLaren (Lib.) by 23 votes in King's. Donald Hurrie (Con.) was elected in Queen's by 24 votes.

The bye-election for Saskatoon in the Northwest Territories yesterday was held yesterday. Mr. Clinkhams, a Hamilton supporter, has 50 majority over Chubb (Ind.), with four polls to hear from.

RESEIZURE OF CUSTOMS.

London, Dec. 11.—In connection with the reported seizure of the Venezuelan customs, the foreign officials say arrangements for that step have not been completed. Before any general seizure could occur Germany, Great Britain and other nations would have to come to an agreement for a pro-rata division and adjustment of their respective claims, similar to that arrived at by the allies in China, except that the La Guaira custom house possibly may have been seized as a purely fiscal institution, are practically valueless.

PUTTING ON A BOLD FRONT.

The Government has sent 2,000 men and eighteen guns from Caracas to the garrison at La Guaira. These troops are camping tonight at Caracas, distant one hour from La Guaira. All day and all night ammunition has been carried to Port Lavigia, which crowns the harbor, and preparations are being made to resist the foreign forces. Volunteers to the number of 926 men in La Guaira have been armed today, and more are requesting arms. It is asserted that the Government can find sufficient men to resist the foreign forces, as the movement is popular. Everywhere other men of all classes and conditions carrying Mauser rifles.

THE FEELING AT BERLIN.

Berlin, Dec. 11.—The German foreign office officials are much pleased at Minister Bowen's energetic action at Caracas, resulting in the release of most of the Germans imprisoned there, and also confirmed the reports of the capture of three Venezuelan vessels at La Guaira and the disablement of a fourth vessel without resistance, and also confirmed the capture of the Venezuelan gunboat Bolivar at Port of Spain, Trinidad. Two of the prizes, he added, were sunk.

The under secretary also said that the release of the British subjects arrested at Caracas had been demanded, but that up to that time the Government had not been informed that the demand had been complied with. The Government had no official information of the reported arrest of the British consul at Caracas. The latest information received was that he left La Guaira last evening. The British subjects arrested had not been harmed.

GERMAN COMMENT.

The Berlin morning papers contain

Exquisite Parisian Perfume

Violet Reine...

The Violet is the Queen of Odorous Flowers. Violet Reine is the Queen of Perfumes prepared from it. So thought the judges of the Paris Exposition of 1900 when they awarded it the highest of all distinctions.

Our packages for the Christmas season of this dainty and fragrant perfume are beyond description.

Could you imagine a more acceptable Christmas gift?
