Very Large Lots-4,320 to 6,480 Square Feet, All Facing on 66-feet Graded Streets with 12-feet Alleys in Rear of Every Lot.

Large Lots and Small Prices.

REMEMBER-These lots are full-grown lots, every one plenty large enough for a house and good yard. When we say a large lot we mean most of the lots are 30x144, others 36x145, some larger; that is 4,320 to 6,480 square feet of land.

Size, Quality and Price for Investment.

The majority of the lots cost from \$50 to \$75. None higher. You can buy thoroughly good well-located lots for \$50, while even the highest priced-our largest and finest corner lots-are only \$75, or \$67.50 for cash. So when you make comparison of different properties on the market, be sure you take these facts into consideration. Therefore, this is a rare opportunity, safe, sure and profitable.
