Text of Justice Anglin's Decision as to Pere Marquette Employes.

Toronto, June 19. - The following is the text of Judge Anglin's decision re

employes. North America Act, the Parliament of Canada is empowered to make laws for the peace, order and good government coming within the classes of sub. jects assigned exclusively to the Legislatures of the province; and it is by sub-section 25 given "exclusive legislative authority" in regard to "aliens and naturalization." In many judgments the Privy Council has declared that our Parliament "has and was in large and of the same nature as the Imperial Parliament itself." the lan-

FORTUNE MADE BY QUACK Berlin, June 19. - Recent legal proceedings have brought to light the enormous profits being made by a quack doctor named Ausmeier, who explicit destowal of extra-territorial charge his duty by placing his alien abandoned the trade of a carpenter for powers by the sovereign parliament, prisoner upon a ferry boat crossing the no colonial legislature may enact leg-islation to be actively enforced beyond the boundaries of the colony.

the more lucrative occupation of trading on public credulity. Ausmeier, while working at his lawful trade, was fascinated by a newspaper report of a certain quack doctor's profits. He abandoned his carpentry and announced to his fellow villagers in Kirchgandern, near Arenhauser, in bar that if the return of the immi-South Germany, that an angel had appeared to him in a vision to tell him prescribed by the sixth sections of the ficulty of determining the precise mothat the divine power of working miracles had been conferred on him. The This peasants took him at his word, and by the agent of the Attorney-General straint by Canadian authority is adcame for treatment. During the first year of his practice he took in \$1,500. This increased to over the Dominion Parliament, giving full say that the deported subject is not \$15,000 the second year, and to \$25,000 effect to the argument of the learned under actual constraint imposed by fin the third year. His regular income counsel that, if at all possible, the Canadian authority until the boat

\$20,000 a year. Ausmeier has now been a quack for five years, and his practice has attained such dimensions that a special service of omnibusses has been established to convey his patients from the station. Three new inns have been built at Kirchgandern, and are supported solely by Ausmeier's patients. The quack is busy from early morning till late at night, and generally contrives to treat from ten to fifteen patients an hour. His fee varies from tion of extra-territorial jurisdiction. \$1 to \$2 for each consultation, accord- In this I have failed. ing to the prosperous appearance of
