don't I'll lie with my last breath!"
To Be Continued

"Doctor Taylor is with him, and I trust he will be able to tell you that Marshall's injuries are not serious!" said Harbison

injuries are not serious!" said Harbison gently.

"Where is he? I must go to him—"

"The doctor prefers that you wait until he finishes his examination," said the colonel. He drew her into the library.

"Evelyn, I must tell you—you must know that something else—unspeakably dreadful—has happened here tonight!"

"Yes?" The single word was no more than a breath on her full lips.

The colonel hesitated,

"You need not fear to tell me—whatever it is, I—I am prepared for anything—" said Evelyn, with a pause between each word.

tween each word,
"The judge is dead," said Harbison "The judge is dead," said Harbison simply. "My poor old friend is dead!"
"Dead—Marshall's father dead!" She lcoked at him curiously, with a questioning light in her eyes. "You have not told me all, Colonel Harbison!"
"Not told you all—" he repeated.
"How did he die?"
"I think—I fear he shot himself, but of course it may have been the purest accident—"
"It was not an accident—" she cried."

"It was not an accident—" she cried with a sob. "Oh, don't mind what I am saying!" she added quickly, seeing the look of astonishment on the colonel's

wishes!" called Doctor Taylor, speaking from the head of the stairs. Evelyn moved down the hall and paused. "Does Marsh know?" she asked of the

"Yes, unfortunately we carried him into his father's room," exclaimed Har-Evelyn went slowly up the stairs. The horror of the situation was beyond words. As she entered the room where Marshall lay, Watt Harbison and the doctor silently withdrew into the hall, closing the door after them; but Langham gave

no immediate sign that he was aware of his wife's presence.

"Marsh?" she said softly.

His palpable weakness and his cut and bruised face gave her an instinctive feeling of tenderness for him. At the sound of her value, Langham's heavy lides said her voice Langham's heavy lids slid ack and he gazed up at her. "Have they told you?" he asked in an

eager whisper. "Yes," she said, and there was a little space of time when neither spoke.

She drew a chair to his bedside and seated herself. In the next room she could hear Doctor Taylor moving about and now and then an indistinct word when he spoke with Watt Harbison. She imagined the offices they were perform-ing for the dead man. Then a door was they passed out into the hall.

they passed out into the hall.

Evelyn kept her place at the bedside without even altering the position she had first taken, while her glance never for an instant left the haggard face on the pillow. Beyond the open windows the aller light had faded from the sky. At intervals a chill wind rustled the long curtains. This, and her husband's labored breathing were the only sounds in the leaden silence that followed the departure of the two men from the adjoinparture of the two men from the adjoin-ing room. She was conscious of a dreary sense of detachment from all the world, the little circle of which she had en the centre seemed to contract until held only herself Suddenly Langham held only herself Suddenly Langham der, of Arnprior, formerly an emtoward the window.

"What time is it?" he asked abruptly.

been left \$20,000 by the death of an

"It must be nearly day," said Evelyn.
"How do you feel now, Marsh? Do you uncle He shook his head. His eyes were on Thursday to promote the organizaurned toward the window.
"What day is this?" he asked after a 'What day?" repeated Evelyn.

"Yes—the day of the week, I mean?"
"It's Friday." "They are going to hang John North this morning!" he said, and he regarded her from under his half-closed lids. "I wonder what he is thinking of now?" he added.
"Would the governor do nothing?" she

She was white to the lips.

She was white to the lips.

"And the Hebert girl—I wonder what the is thinking of!"

"Hush, Marsh—Oh, hush! I—I cannot —I must not think of it!" she cried, and pressed her hands to her eyes convulsively.
"What does it matter to you?" he said Nothing in one way-everything in ber were present and enjoyed an ex-

turned his face toward the wall.
"Marsh—" she began.
He moved impatiently, and she realized that it was useless to attempt to alter he had come to believe in abso-t. Beyond the windows the first pale streaks of a spring dawn were vis-ible, but the earth still clothed itself in The moments were racing on the final act of the pitiless tragedy which

involved so many lives.
"Marsh—" Evelyn began again. "Twe been a dor to endure your presence in my house!" he said bitterly.

Evelyn was about to answer him when Doctor Taylor came into the room. "Is he awake?" he questioned. Langham gazed up into the doctor's

face.
"Will I get well?" he demanded.
"I hope so. Marshall—I can see no reason why a few days of quiet won't see you up and about quite as if nothing had happened." "Come-I want to know the truth! Do

wou think I'm hurt internally, is that it?"
He sought to raise himself on his elbow but slipped back groaning.
"You have sustained a very severe chock, still—" began the doctor, "Will I recover?" insisted Langham more investigation.

please, Marshall!" cried Evelyn. "On, please, Marshall!" cried Evelyn.

BEEKEEPERS ADVISED TO GET GOOD QUEENS

Govt. Expert's Best Method by Which to Secure Best Results.

At the afternoon session on Saturday of the Middlesex Beekeepers' Association, Mr. H. D. Sibble, of Toronto, in an address on "Queen Raising and the Increase," emphasized the importance "Humph—if you won't tell me what I wish to know, I'll tell you my opinion; it is that I am not going to recover. I must see Moxlow. Who is downstairs?"

"Colonel Harbison and his nephew."

"Ask Watt to find Moxlow and bring him here. He's probably at his heard. of raising good queens. Mr. Sibble is a representative of the Ontario department of agriculture, and explained the best methods to be pursued if the best results were to be obtained. im here. He's probably at his boardmg-house."
He spoke with painful effort, and the

The report of the Middlesex exhibit at the Horticultural Exhibition in Toronto last fall was presented by Mr. Anguish, of Lambeth. While the exhibit was not very large it attracted considerable attention and helped greatly in placing the products of the Evelyn asked the moment they were beekeepers of this county before the merchants and general public. In all him something—and I may not, it all depends," he said slowly, as his heavy lids closed over his tired eyes.

It was daylight without and the control of the

lids closed over his tired eyes.

It was daylight without, and there was the occasional sound of wheels in the street Evelyn realized with a sudden sense of shock that unless Marshall's bloodless lips opened to tell his secret, but a few hours of life remained to John North sessions was large and enthusiastic. A struggle was going on within her, it was a struggle that had never ceased from the instant she first entered the proved to be beneficial, and he expected Advertiser that the meetings had proved to be beneficial, and he expected that at the meeting late in October next, terror shook her lest he would, and conditions would be reported in better declare North's innocence and his own guilt. She slipped from his bedside and stealing to the window parted the long curtains with trembling hands. She felt widely separated in spirit from her husband; he seemed strangely indifferent to her only his hitter seems of intervental latters hath in regards to the sunher; only his bitter sense of injury and all others, both in regards to the suphurt remained, his love had become a dead thing, since his very weakness carbled him, since his very weakness carbled him.
