LONDON HANDED DETROIT WORST BEATING OF SEASON

Local Players Dazzled Arena Seven With
Their Speed and Team Play and Won
by the Score of 6 to 1.

The decisive beating handed the Detroit team by the London intermediates in the Michigan city last evening, demonstrates two things. It shows, first, that the London players are fast, dangerous, aggressive, fully up to last year's team. All this is gratifying to London fans. The Detroit games served to show just what kind of a team London will have this year if nothing else.

A Decisive Beating.
Last night's score was 6 to 1, London winning the series by just that much margin. The score on the round was 11 to 6. The beating handed Detroit last evening was the worst suffered by the Arena seven for some years. In fact, London is one of the few teams that has beaten the Detroit seven in Detroit for the past three years. Only two other teams have done it this season, Cleveland and Sarnia, but these teams won only by a scant margin of one goal.

Surprised Detroit Fans.
London gave a great exhibition of hockey in Tigertown last night. In the first half, the locals played rings around the home team, and had the Detroit fans gasping at the speed and team play shown. London is undoubtedly the fastest team that has played in Detroit this season. At half time the score was 5 to 0 in favor of London, and had the visitors wished to they could have run up an even greater score. In the second period they let up a bit, and the Detroit fans were disappointed. The Detroit team was not in the game, and the Detroit fans were disappointed. The Detroit team was not in the game, and the Detroit fans were disappointed.

The Detroit News-Tribune in commenting on the game this morning, says: "It must be admitted that the Arena team was not in any condition to play the game of which it is capable when at its best. Capt. Kennedy was not on the ice at all. Hall, who took his place, has not yet recovered from injuries received earlier in the season, and Meyers went in suffering from a severe charley-horse, which necessitated his quitting toward the end of the first session, Hall taking his place, and Johnson going in as rover. The latter suffered a dislocated shoulder late in the second period, and had to retire, the last nine minutes being played with six on a side.

Gillis Gets the First Again.
Laurie Gillis scored the first goal of the evening after nine and one-half minutes of play, during which time Detroit was almost continually on the defensive, the visitors showing unusual ability in their play. At the end of the ice where it would do them the least harm, Gillis' tally was made after a lone run up the side of the rink, during which he played the puck skillfully past the guards, and shot from a distance at an angle. A minute and a half later R. Reid, who starred throughout at centre, carried the puck right up centre ice to the second score, also made on a long shot.

Three in Succession.
Play was fairly even for 10 minutes more, when three goals were registered by the Canadians in quick succession, R. Reid repeating for one, and Edwards being responsible for the others. Two of these were also individual affairs, the last of the session being the only one in which any passing figured, Edwards taking the rubber disc on a shot from Gillis after a tie-off behind the goal, and getting it in on a successful short pass.

McAvoy, who subbed for Morenz in the next half, made the only Canadian counter of the period after six minutes, a high shot getting past Detchon while the lone Detroit score of the evening was made by Hall after they had battled through 17 minutes of the last session.

The Teams.
Detroit—Detchon, goal; Emery, point; Black, coverpoint; Hall, rover; Johnson; Meyers, left wing; Grady, right wing; Skelley, left wing.
London—Wardrope, goal; D. Reid, point; Hall, coverpoint; Morenz, rover; McAvoy; R. Reid, centre; Edwards, Walden, right wing; Gillies, left wing.

Score, London 6, Detroit 1. First half, London 5, Detroit 0. Goals, first

LOCAL BOY ENTERS NEW YORK RACE

Maurice Pollick, of This City,
Is Mentioned in Connection
With Big Event.

RUNS IN TWO-MILE RACE

Several Prominent Foreign Runners
Will Also Compete in Junior
Championships.

[Canadian Press.]
New York, Dec. 27.—The entries of several foreigners for the junior indoor championships of America here on Jan. 6 have tended to give it an international flavor. A majority of the foreign runners will be seen in the two-mile running race. In this event M. W. Pollick, of London, Ont., will make his first appearance in a New York athletic meet. Others in this race will be John Ekke, who represented Sweden in the cross-country race at the Olympic games last year, and Willie Lindfors, of Finland, who have been training here with Hannes Kolehmainen. Americans entered in this race are Ezra Wenz, Dave Noble and A. Gibbons. Wenz represents Colby, Conn., and Noble, the New York Athletic Club.

FITZSIMMONS IS TOO OLD TO FIGHT

New York State Boxing Com-
mission Will Prevent Him
Entering Ring.

FOR HUMANITY'S SAKE

Bob Is Over Fifty Years of Age and
Commission Has Rule Against
Old Fighters Reappearing.

[Canadian Press.]
New York, Dec. 27.—Fob Fitzsimmons, former heavyweight champion of the world, is too old to again enter the ring, even in ten-round bouts, members of the state boxing commission say. On Tuesday when the matter comes up before the commission, the members will vote to prohibit the one-time champion from boxing in the state.

This action against Fitzsimmons, the members of the commission say, will be taken "for humanity's sake." They say that to allow such a bout would be in the light of licensing a farce.

Soon after the New York State athletic commission came into existence more than two years ago, the members quietly went on record against bouts between old-time favorites of the ring. There is no objection to Fitzsimmons personally except as to his age. He is over 51 years old. Now the Fitzsimmons is actually preparing to take part in a boxing bout here on Jan. 6, the commission intends to enforce its old rule.

THISTLE CURLERS MAY PARADE IN NEW COATS

Big Program Being Arranged by
North End Club for New Year's
Day.

The members of the London Thistle Curling Club are planning a big parade on New Year's Day. The purpose of the parade is to display the new coats and caps of the Thistle curlers. It is expected that some forty or fifty curlers will be decked out in this new regalia, and the parade will be impressive to say the least. It is proposed to start from the corner of Dundas and Richmond streets, and march to the rink. A big program of curling is being arranged for New Year's Day at the Thistle rink.

JEFF TESREAU, SUCCESSOR OF ED WALSH, SPIT KING

With Ed Walsh Through, the
Giants' Human Atomizer Will
Wear Crown in 1914.

Charles ("Jeff") Tesreau, of the Giants, finished the season of 1913 as the best pitcher in the National League—judging pitchers by the method since adopted—which shows the pitcher's actual ability and not that of his fielders.

This year Christy Mathewson ranks first and Tesreau third. In 1914 Tesreau with another year's experience, will be recognized as the spit ball king. Ed Walsh having pitched his last game, unless a miracle is worked in his behalf, Tesreau was introduced to major league baseball at the flag end of 1912, following months of toil under the tutelage of Wilbert Robinson, while he acquired control of the spitball.

Then, when the Giants were crumbling—with Marquard "blown up" after 19 straight wins; with Mathewson wobbling, McGraw took the blankets off his human atomizer and pitched a magnificent ball—so wonderful that when the post-season games began McGraw sent him in against "Smoky" Joe Wood.

Tesreau went to the Giants after a wandering career that makes the travels of Ulysses look like an afternoon's stroll. He played in Perryville, Mo., Houston, Galveston, San Antonio and Austin, Tex., Shreveport, La., and Detroit. For Houston he lost every game he pitched by one run—but he lost. At Detroit he was so wild he was given transportation within two days.

Frank Navin, president of the Detroit club, says he didn't pull a "boner" when he released Tesreau, but that he was unable to devote the time necessary to develop the giant. He considers McGraw fortunate in having Robinson, who also gets credit for making a pitcher out of Rube Marquard.

Following his exit from Detroit, Tesreau went to Shreveport, where he somehow found enough control to induce McGraw to sign him. McGraw gambled on "Jeff's" size and strength, not his past performance.

Just as Ed Walsh spent two years before he became a great pitcher, so did Tesreau spend many months, with this difference—he had in Robinson a splendid coach, who started out with one object, and that was to make Tesreau a spit ball pitcher.

Time, hard work and good coaching transformed that "wild" ball, that "boner" "blow" and Matty wavered, he stepped into the breach and withstood the shock of the Cubs' assault.

Tesreau's control was not so good in

JEFF TESREAU, SUCCESSOR OF ED WALSH, AS THE WIZARD OF THE SPIT BALL.

1913 as it was in 1912, although he does not admit this. But with two good seasons behind him, Tesreau will return to the game next spring with more confidence than ever. There is no pitcher in the league who can cope with him for the crown as the champion human atomizer of baseball.

The Click of the Steel Shoe

Barrie and Orillia intermediates will play an exhibition game at Orillia on Monday night.

Queen's University and the Nipissing Mines team played a six-goal tie game at Cobalt on Christmas night.

Jack Lavolette has not signed with Canadiens yet, but has been in uniform at several of their practices.

Munro, captain of the Dunnville O. H. A. intermediate team, practiced with the Toronto pros, yesterday at the Arena. He is an ex-St. Andrew's College boy.

The veteran Tom Phillips has consented to coach the Hamilton club players. Intermediates and junior teams from that club will meet Brantford intermediates and juniors in Hamilton on Monday night.

Ray Mallen, of Morrisburg, who played for London intermediates a few years ago and who has since been with the New York A. C. seven, joined the Ontario provincial yesterday. He is a brother of Ken Mallen, and plays at rover or left wing.

Hamilton Spectator: Hamilton fans don't want Hamilton players playing in Brantford. They want to see the Centennial stars on the local ice, along with the H. H. C. stars. They want Hamilton's best on one team, and it would be some team with such players as have been named competing for places.

BIG LEAGUES WILL OPEN ON APRIL 14, NEXT YEAR

Schedules Will Be Drawn Up on Jan.
2—Season Will Be Week Shorter
Than Last Season.

[Canadian Press.]

Chicago, Ill., Dec. 27.—Work on the 1914 playing schedules of the American and National Leagues will begin Jan. 2, at French Lick, Ind. President B. B. Johnson, of the American League, received word today that President Dreyfuss, of the Pittsburgh club, and Secretary Heydler, of the National League, would meet him at the Indiana town on that date. Secretary Harridge, of the American League, will accompany Mr. Johnson.

April 14 has been definitely agreed on as the date for opening the next season, but when the schedule can be completed is not so certain. Oct. 3 will be the closing date, if the regulation 156 games can be booked by then. Last year the season opened April 10 and closed Oct. 5.

CHAMPION GOTCH IS BARRED IN CHICAGO

Famous Wrestler Failed to Keep
His Word So City Puts
Ban on Him

ANGERED CITY OFFICIALS

Agreed to Come and Wrestle at Athletic Organization, But Failed to Put in an Appearance.

Chicago, Dec. 26.—Frank Gotch will never be seen in Chicago again in a wrestling match, or even in an exhibition, about while the present city administration holds sway.

This was brought out after announcement had been made that the great Iowa athlete had decided to return to the game after a retirement of many months. Gotch incurred the displeasure of the city officials last summer when an effort was made to get him to come here and help out an athletic organization. According to the story told today, Gotch agreed to come on and wrestle, but at the last minute nothing was heard of him. He did not appear as advertised, and it is said that Mayor Harrison then and there vowed that Gotch was through so far as Chicago is concerned.

Had Gotch decided to come when first approached no further attention would have been given the matter, but he promised to come and then failed to keep his word.
