## He Drafted Treaty | "U" GOVERNORS MAY DECIDE PRESIDENCY AND SITE THIS WEEK

Definite Action Expected This Week on Important Questions Affecting Future Development of London's Educational Institution-Dr. Hill's Resignation Also Coming Up.

It is expected that the negotiations for the selection of a new president and a new site for the Western University will be crystallized into accomplished facts at sity, from the city. As soon, however, as it is known when the chancellor will return, Dr. Waugh, secretary of the board, has been instructed to call the governors

In a statement to The Advertiser this morning, C. R. Somerville, chairman of he board of governors, declared that it was more than likely that some definite action would be taken on the two import ant questions now before the board, the selection of a new president and the purhase of a new site for the university. "Of course, it is impossible to say what the governors will do, but the question altogether likely that some definite action will be taken," said Mr. Somerville.

The same man was strong for the city manager idea. He believed that the city should be conducted by a board of directors, made up of the three largest taxpayers, and four elected members, and that an expert on municipal management should be hired and made responsible only to the directors. He should be placed in charge of every department, including public works, hydro, water, hospital and schools.

The other men discussed the same topics. While they all had variations on the ideas they were all convinced that have had occasional swimming parties expert civic management and subways were the pressing needs of the city at
