Carl Cline Wins Senior Collegiate Field Day Honors

Arthur Gillies and Harold Windrim Give Cline Run for Money.

Carl Cline, son of Dr. C. A. Cline of Queen's avenue, is senior athlete champion of the London collegiate institute for 1916-17. The announcement was made on Friday, following the running off of events that were not completed at the annual field day sports the previous week.

The senior championship was the only one remaining in doubt and Cline topped the honors with three points to the good. Arthur Gillies with a score of sixteen points was the runner-up, while Harold Windrim made a close third, being only one point behind Gillies.

CARD TO THE CHIEF.—Chief Police W. T. Williams received a postcard today from Lieut. Joe Walters showing a member of the Royal Guard and telling the chief that he found the members of the guard to be just as the chief had described.

Pilot of World's Champions Declares He Is Finished With Baseball.

BOSTON, Oct. 13.—The Boston Americans today divided the winners' spoils of the world series, which they closed with a victory over the Brooklyn Nationals here yesterday. Under the agreement decided upon by the players at a secret meeting, full shares of \$3,322.50 each were given 22 players, including several who had figured but not in the team's success. The remainder of \$97,756.47, which the team was given over to the National League, was divided among the winners and losers. The Boston players received three-quarters of a share each, Wyckoff and Fenwick divided one share, and Walsh, who came to the team only in the last month of the season, was allowed \$1,600.

The meeting of the players was marked by the farewell of Manager William Carrigan to the team which he had piloted to world honor in two successive years. He said he was "through with baseball for all time." President Lannin, in bidding the players God-speed, however, said he was still hoping that Carrigan would return. George Foster, former crack pitcher, who suffered from a lame arm this season, notwithstanding he pitched a no-hit game, also announced his retirement.

Some of the Red Sox started in their motors today for trips that will take them to hunting reserves in Canada.

COLLEGIATE RUGBYISTS GO TO ST. THOMAS MONDAY

The collegiate rugby team will journey to St. Thomas Monday afternoon to take on the Red Road City collegians in a return game at St. Thomas on the 14th. Captain Tom McDougall of the locals, who distinguished himself in the game here a week ago, states that a strong lineup will make the trip and that London is out for another snow-under. The lads will leave here Monday afternoon in a special car and will take a crowd of rosters with them.

Western U. Rugby Squad Prepares for O. A. C. Game

Boys Are Practicing Hard for Battle With Aggies in the Royal City Next Saturday—Field Day Friday.

Although robbed of some of its best men the Western University rugby team will present a formidable line-up when it meets the husky aggregation of farmers from the O. A. C. in Guelph a week from today in the opening game of the season. The boys have been practicing hard this week and are gradually getting the kinks out of their systems. They will make the Aggies go the limit to win in the Royal City.

Art Smith Back.

Art Smith, who has been the star pignick chaser of London teams for several years, is head chauffeur of the college machine, with Art Brickenden and Roy Kingswood as chief mechanics. The two Elgie boys, Bill and Goldie, will be among those present when the whistle blows for the first game.

With the Trotters and Pacers

[BY J. H. F.]

Lee Axworthy, 1:58 1/2, is the fastest station. Uhlan, 1:55, may lose his crown as the fastest trotter of the age. If the Axworthy horse is again turned around for a record.

The Real Lady is a regular lady at trotting. Imagine a 2-year-old stopping a second heat in 2:04 1/2. Some baby.

Volga was considered the prize thing in the infant classes, but The Real Lady has the call now. If the latter trains as a 2-year-old, a lot more records should go.

Lucile Spier, with a tin mark of 2:05 1/2, will take in the big stakes on the Grand Circuit next year. If right, she will make some of them step to records to beat her.

Murphy keeps on trying with Yanko, but he can't get him into the winning class, no matter how slow the time.

Mabel Trask can handle St. Frisco this year, and looks all over the best trotter unearched this year in the big stakes. She will be the big money winner for 1916.

Zomroet, 2:03 1/2, is the fastest son of Zomro. He looks a pretty handy trotter right now.

Yedno, the Eastern Ontario pacer, has won a flock of races this year. Last week, he handled Frank Bogach and Lillian W. in a smashing five-heat race.

Nat Ray has won close to \$5,000 this year with Dayspring. He looks good for the big time.

Dell Wood, who has taken to farming, turned around a nice trotter at the Rochester Fair, a 4-year-old named Mona Heart, by Moccrazia, by Moko, dam Cecil Heart by Greatest Heart. In a field of hobbled pacers, she was just nosed out. She is green at the racing game, but has manners and speed, and should show. Mr. Wood has quite a breeding establishment on his farm. He

JIM DUFFY OUTPOINTS SCOTT AT HAMILTON

Hamilton, Oct. 14.—Hamiltonians had their early training by Dan Duffy of Lockport, N. Y., at the Arena last night, when he beat Pete Scott, the local welterweight, in every one of ten rounds. After the second round Duffy beat a tattoo on the Indian and set a dizzy pace that had his opponent in serious trouble at several stages. Scott put up a smart bout, however, and rallied in the tenth.

Young Alter bested Jack McCracken in the main preliminary, while Cayuga, an Indian, and Maynard boxed a six-round draw.

BAN JOHNSTON PROMISES CHEAPER BALL GAMES

New York, Oct. 14.—Exorbitant prices for admission to future world's series baseball games will not be tolerated, declares President B. B. Johnson of the American League. "The world's series as conducted at present," said Mr. Johnson, "threatens to jeopardize the fair name of the game in public opinion. We can never stand for that. Baseball is clean; it must be kept clean. Year by year prices have advanced, which was never intended, and should never be tolerated. There is some housecleaning to be done, and it's going to start where the most dust of discontent has gathered."

"I have talked with my colleagues of the American League, and I am sure of their support. I think I can safely promise fandom on behalf of the American League that a set of prices more just to the purse of the great general public which supports the game will prevail in the future."

BASEBALL OFF THE MAP, FOOTBALL HOLDS STAGE

New York, Oct. 14.—Football holds undisputed sway as the leading sport throughout the east today. The Princeton-Tufts game has the centre of interest in this section, owing to the victory of the latter over Harvard last week. Harvard has for its opponent the North Carolina eleven, which was beaten by Princeton, 27 to 0, last Saturday. These two games give a double chance for measuring the relative strength of the Princeton and Harvard elevens.

Other important games in the east include Yale vs. Lehigh; Pennsylvania vs. Swarthmore, and Cornell vs. Williams.

FAST TIME EXPECTED AT BIG CHICAGO AUTO RACE

Chicago, Ill., Oct. 14.—Fifteen thousand dollars will be distributed to those of the 21 automobile drivers who come within the prize list of the Great American automobile race, which is staged at the Speedway today. The race is over a distance of 250 miles. Fast time is expected, as several of the drivers have made the circuit of the two-mile bowl in tuning up trials at a rate of more than a hundred miles an hour. Rusta is picked by many Chicagoans as favorite, in view of the fact that he has won every event staged in this city during the current year.

Zocanno Announces Two Fast Bouts For Oct. 23

Jim Brady of Chicago and Baker Murray of Buffalo Will Go Ten Rounds at 133 Pounds—Forfeit Posted.

Matchmaker Tony Zocanno announced today that he has secured two fast boys to box ten rounds at the Masonic Temple on the evening of October 23. Jim Brady of Chicago, who is the undefeated champion featherweight of Michigan and the Northwest, will take on Baker Murray of Buffalo at 133 pounds, ringside.

Baker has fought some of the best lightweights in New York State, and is anxious to get a chance at Brady, who is out to add another win to his long string of victories. The latter has trimmed some of the fastest scrappers in the lightweight division, although only a featherweight, and is the winner of over one hundred ring battles. He has come through without a defeat. Brady has already deposited a forfeit with Zocanno that he will make the required weight. Several fast preliminaries will be staged.

Zocanno also announced that this would be the last boxing exhibition staged in London by him if the fans did not support the game better than they have in the past. Tony will put on bouts in Sarnia every Saturday night, starting at the end of the month.

NEW YORK, Oct. 13.—Discussion of the possibility of Toronto entering the American League, to replace an eastern club of that organization, was renewed when James J. McCaffery and J. Solman of the Toronto International League club conferred in this city today with President Ban B. Johnson of the American League. The Toronto magnates, after the conference, said it was not probable that such an honor would be conferred on Toronto "until the close of the war, at the earliest."
