

Changes in Lacrosse Team For Saturday Is Planned

Opening Game Here With Stratford Should See Big Crowd Over at Tecumseh Park.

The London lacrosse squad were out last night at Tecumseh Park at full strength, and put in one of the strenuous workouts billed for this week in preparation for the opening lacrosse game here next Saturday with Stratford.

There will be a few changes in evidence in Saturday's line, and the team should be much stronger than the one which penetrated St. Thomas' strong defence regularly even without the odd man present. Luton and Dangle will be the hot bats.

Stratford can always be depended to put a good team into play in any kind of sport, and they don't make any exception of lacrosse.

There will be nothing else in the way of entertainment Saturday, with the ball club away, and there should be a good turnout of oldtime fans for the national game, and of those whose bump of curiosity will show the way. All youngsters under 15 years will be admitted free of charge, if accompanied by an adult.

FINT, June 6.—The Vehicles came from behind in the seventh, when four runs were taken off Boothby, and defeated Bay City, 7 to 3. This brought Fint's consecutive winning mark up to six, as well as sweeping the series. Wotell pitched brilliantly after resuming duty, while Emma's stellar hitting kept the Vehicles in the running.

\$1,000 in Prizes For M. A. A. A. Meet June 18th

Entries for Motorcycle Race Still Coming In.

About \$1,000 in prizes will be hung up for the winners at the M. A. A. A. meet here on June 18. The attendance this year is expected to be one of the largest on record, considering that there is no other sport attraction in the city on this date. Practically all the entrance tickets have been printed, and have been placed in the hands of the foremen of different factories. A coupon is attached to each ticket, and a draw will take place for a ton of coal.

Entries for the motorcycle race continue to come in. Cole, of Toronto, has not entered yet, but his entry is almost a certainty. Industrial athletics should get the best boost ever this year, and with the racing in the track athletics there is little excuse for Londoners not turning out to boost this branch of sport.

Posties Hand Tailors a Neat Defeat in Mrs. Wray Only Gave Four Hits, But Was Generous With Charity Lifts.

Wray singled to centre and was sacrificed down by Reilly. Downs hit one to deep centre, which was caught by Steeper. The runner landed on third, while Hosie and Wray both scored. The score: R. H. E.
