LOSERS OUTPLAYED

Special to The Advertiser. Kitchener, Jan. 9.—Kitchener Green Shirts came to life with a vengeance tonight and routed Stratford, 6 to 2, in a game which was the first of the season for the Green Shirts. The winners were better than the losers, who were playing for the first time since they were defeated by Stratford, 4 to 1, in a game which was the first of the season for the Green Shirts.

There was not a department of the game in which the Green Shirts were not better than the losers. The Green Shirts were better in every department, and they were fortunate to win. GREBEFEATS SAGE ON POINTS

Middleweight King Takes Every One of Ten Rounds in Detroit.

Special to The Advertiser. Detroit, Jan. 9.—Harry Greb, world's middleweight champion, retained his title here tonight by winning every one of ten rounds from Bob Sage, Detroit boxer.

There was no question as to the decision, the Pittsburgh middleweight having a margin in every round. For the first three rounds Greb and Sage boxed as fast as lightweights. Sage carrying the champion along at a fast pace.

Greb never slackened at any angles in the last seven rounds, and fully lived up to his name of being the Pittsburgh middleweight. He hit Sage with every punch which he was capable of.

At times Greb's efforts resembled those of a bag-puncher. He shifted, and never seemed to be out of position. Despite the barrage of gloves the champion was tiring. Sage never quit trying. He was pelted with a storm of punches, but he was always there.

Backed away from the onslaught that has broken him short and long, the Detroit lawyer kept his right hand in position for landing a punch he hoped would bring him a knockout. He occasionally would land a glancing blow or short uppercut, and whenever Greb fought the usual Greb fight. He proved that a champion is not the best fighter and he kept Sage covered with gloves. Although in the closing rounds Greb was landing his blows with more force, the Detroit left the ring unmolested, only his lips being tuffed.

After Merle left to report to the Toronto City club of the old Michigan state league, I worked hard as shortstop on the Sunday school team. With no night school to attend, I got bed by 10 o'clock and was up at 5:30. I began to put on a little weight. Before long I had a chance to make two dollars by playing a Sunday game with the Hamilton club of the Suburban league.

At 14 Bucky Learned Benefit of Keeping Head Up Off Field

Adoption of "Early To Bed and Early To Rise" Motto Kept Young Harris in Good Condition All the Time.

CHAPTER 6. A SEMI-PRO. AT 14. By Stanley "Bucky" Harris. Merle taught me a lot that fall and winter. We talked baseball whenever we got together after work. He has since told me that he didn't think I would make the grade to play professional baseball. But after his one talk about the hard road in front of me, he never discouraged me. Instead he gave me all the benefit of his experience.

He instilled in me the thought that a ballplayer must be a man of good habits. He pointed out cases of major and minor leaguers who failed to make good when their big chance came because they didn't take proper care of themselves.

"You've got to keep your head up off the field as well as on," he would say. "A fellow can't go out there and do his best if he has been batting around the night before. You need a clear head and a steady hand. And never be in a hurry to go out there. Matter how good you are, you always can learn something."

I know now such advice is just as applicable to the game of life as it is to baseball. It made a deep impression and steered me many a time when I was tempted to take a fling. There are occasions when it is hard to decline certain invitations. After the first few refusals the others came easy.

Better Condition Counts In 6-4 Niagara Falls Win

Poke and Cross Checks

Special to The Advertiser. Niagara Falls, Jan. 9.—Superior condition brought the Niagara Falls sextet from the goose egg end of a 4 to 0 score in the first frame to a 6 to 4 victory over the Riverdies here tonight. The game was fast in the first and second periods, but in the third the visitors came into the line and displayed their wares, which were superior to those of the locals in staying power only. Kelterborne and Kitchener were the outstanding among the trio, while Butterfield and Ashley were the pick of the locals. The former walloped the Riverdies, which took a lot out of him.

Arnott was effective in the first and second, but went to pieces in the third. Clark skated well, but also lost his pep. Ashley, like the others, was weakened in the third, but was a constant worry to the visitors. Both goalies worked well. The first period opened with brilliant solo efforts by both sides, none proving successful. The second period, at four minutes, bested May. Arnott's play was the entire Falls aggregation, scoring when practically in the corner. He repeated this play two minutes later, and was tripped right beside the net. However, he managed to poke the rubber around the post. The Riverdies scored the goal of fast hockey, Ashley and Kreeson combined for the third goal of the game. Kreeson's shot was perfectly timed. Then followed ten minutes of good hockey, featured by effective solo efforts by both sides. The Riverdies bested May on a well-played corner shot after a lone rush.

The second period opened with a Kelterborne scoring after two minutes had litted by. The locals exhibited good hockey, but were unable to score. The third period opened with the visitors going great guns, and after a few minutes of play the Riverdies were fagged out.

Hamilton Rowing club's senior O. H. A. team has lost its first two games, but the Scullers' showing has been better than that of the Riverdies.

To lose two games away from home is certainly no disgrace for a new club composed of players who have never held down positions in senior company. And the Russell Smith crew will do better.

They have yet to get a chance to make their own mark with it. Their first game at home will be played on Wednesday next week with the Toronto Varsity. The Varsity crew is a plucky and splendid showing in their first two games against the strong Hamilton team. The association first held its meetings, is still in a flourishing condition, as the reports presented at the annual meeting showed.

Other officers elected were: Dr. D. M. Sutherland, vice-president; Montclair Nesbitt, secretary; "Bud" Irving, assistant secretary; and Dan Campbell, treasurer. The management committee will consist of W. H. Martin, Dr. W. Krupp, Holmes, James Cullen and W. A. Holmes.

SARNIA COLLEGIATE SIX HAS COMPETENT COACH

Special to The Advertiser. Sarnia, Jan. 9.—Sarnia's former Sarnia hockey star, coaching the collegiate entry in the Woss series this winter. The former speedy rover of the Sarnia team, himself a graduate of the local high school, has had the team in a good way, and expressed himself as well pleased with the class of material he has to work with this season. The new coach is competent. He has played on the fastest amateur hockey teams and still retains his old speed and ability, and better than this even, he can impart his knowledge to his charges. He is popular with the players and they are already showing a vast improvement over their showing last year.
