

WOMAN AVOIDS OPERATION

Medicine Which Made Surgeon's Work Unnecessary.

Astoria, N. Y. — "For two years I was feeling ill and took all kinds of medicine, but nothing helped me. I was always tired, I could not walk straight, because of the pain in my back and I had pains in my stomach. I went to a doctor and he said I must go under an operation, but I did not want to. I read in the paper about Lydia E. Pinkham's Vegetable Compound and I bought a bottle. I took it for two weeks and I was able to sit down and eat a hearty breakfast with my husband, which I had not done for two years. I am now in the best of health and did not have an operation." — Mrs. JOHN A. KENNEDY, 225 Fushing Avenue, Astoria, N. Y.

Every one dread the surgeon's knife and the operating table. Sometimes nothing else will help but sometimes doctors say they are necessary when they are not. Lydia E. Pinkham's Vegetable Compound is a safe, reliable, and effective remedy for all the ailments of women. It is a blood purifier and a general health builder. It is the only medicine that will cure all the ailments of women without the use of surgery. It is the only medicine that will cure all the ailments of women without the use of surgery. It is the only medicine that will cure all the ailments of women without the use of surgery.

The recent casualty lists contain the name of Private Patrick DeGreeche as wounded. Private DeGreeche is enlisted in the old 58th Battalion and went overseas with it. But later when the battalion was broken up was transferred to the 60th and has been in active service for a year and a half until he received a gun shot wound in the leg, while acting as a battalion runner. His condition is such that he has been in hospital for some time, but he is now being treated at the military hospital at Valcartier.

A rather heavy thunder storm, accompanied by a miniature flood, passed over Belledune and vicinity, on Wednesday doing considerable damage to the crops and also breaking a telephone pole. The roads greatly resembled swollen brooks.

A band of Brazilian gypsies also arrived through on Wednesday afternoon in advance of the storm and did more damage in this locality than the electrical storm. They visited all the stores and seemed to help themselves to anything which took their fancy as well as money, at one store where the proprietress happened to be out they took ten dollars. They had a large number of horses but seemed rather up-lodate in their ideas as they possessed a car also.

A very enjoyable whist party was held at Nashes Creek in the parish hall on Saturday evening. A concert was first on the programme, which was most creditably executed by the children of the Parochial School, the entertainment being bi-lingual. Whist was next indulged in and several pretty and useful prizes won as follows:—

Ladies first, a fountain pen awarded to Miss Mildred Hickie, ladies consolation was carried off by Mrs. A. Hickie. Gentlemen first prize, a razor strop, won by Mr. Sanford Goodin, gentlemen's consolation to Mr. James Flettie. The baskets were then auctioned off by Mr. Mallet and a hearty luncheon partaken of. The proceeds, which were very gratifying were in aid of the Parochial school.

A whist party was also held at New Mills on the preceding Saturday evening being a very successful affair. The sum realized was in the vicinity of forty three dollars and will be in aid of the church there.

Miss Irene Ullrich who has been training as professional nurse at the Fanny Allen Hospital, Burlington, Vt. has graduated recently and her many friends here offer their sincere congratulations.

Rev. F. M. Daigle is attending the Ecclesiastical Retreat of the Roman Catholic Clergy at Chatham. Rev. Father DeLacavalliere of Caraquet is acting in Fr. Daigle's absence.

A special school meeting was held on Friday the 22nd inst., to arrange the procuring funds in order to enlarge the accommodations of the school. It was arranged for the school to be moved to the building owned by Mr. W. R. McMillan, and used as Red Cross rooms at Durham Centre and so create a separate school or if it were more advisable to build addition to the present school building. Another meeting will be held on Monday evening to finally decide.

DALHOUSIE

Dalhousie, June 26.—Nothing is more interesting to the friends of education than the closing exercises of a large school. The proof of that was shown here on Monday afternoon, when the parents and friends of the convent pupils crowded the large hall, to witness a splendid programme. The many prizes distributed made a very cheerful ending of a successful school year.

The Dalhousie Convent was built fourteen years ago, by Rev. A. A. Boucher, of Dalhousie, to fill a long felt want in the place, on account of the great increase in population of French families. He will deserve the name of public benefactor, as the good results of the grand work can already be seen in many families.

The good sisters from the opening have taken great pains to teach both languages. It was the first real experience of teaching French in the Shiretown and the way the English children handled French and the French children English at the examinations speaks well for the convent school.

Improvements are to be made to the interior of the convent during the holidays.

While on the subject of education and as we are approaching the fiftieth anniversary of confederation let us look back at school matters as they have progressed in the shiretown.

In the early days the first school was started in a vacant house then owned by Dugald Stewart the father of Ex. Sheriff James E. Stewart, now the home of Mr. Ingram and Mr. and Mrs. J. C. Commager, with Sarah Good as first teacher. After teaching for nine years she was succeeded by Mr. Loyd, who taught in same building as did his successor Mr. Parrott.

The number of pupils continuing to grow the school was provided with a Mr. Mackenzie as master.

A short time previous to confederation a Grammar School was built near where Dr. Dabrows' house is now, a School Principal. He was succeeded by Mr. Hutchison, who in turn was succeeded by Mr. Miller, who was succeeded by Mr. Ross. Ross was succeeded by Mr. Dickson. Shortly after he came the school was burned down in 1896, and during the time the present one was being built, school was held in the Court House, Mechanic's Hall and also in the Masonic Hall. Mr. Dickson was succeeded by Mr. Leach followed him and then came Mr. L. D. Jones, now in France.

The present staff consists of Principal, G. B. Mowat, Miss Emma Harcourt, Miss Annie McMoray and Miss Wright. The ratepayers speak highly of the success of the public school.

Thus the change in 60 or 70 years. From a small school with one teacher we have now a public school with four teachers, a convent school with six or seven teachers.

Lady Foster arrived here today from Ottawa, to spend the summer months at the Inch Arran.

Mr. Robert Lynch, Anderson, and Mrs. E. Potvin, Kedgewick, were guests over Sunday at the Queen Hotel and on Monday took in the closing exercises at the Convent.

Mr. A. B. McKay, who had enlisted for the war and could not go on account of illness has returned to the Royal Bank here, and now occupies the position of teller. Mr. George McNeil, who so successfully led the revolution here, has been transferred to Arbroath, N. S.

Ex. Councillor Thos. Hays of Nashes Creek was in town on Friday a guest at the Queen.

Mr. Frank Troy who has been with the Dalhousie Merchandise Ltd. for nearly two years has gone to St. John to enter a city store.

Miss Louise Allan, who has been attending the convent at Carleton Place, is at home. She will return to Carleton to be present at the celebration of the fiftieth anniversary of the building of the institution, which is to take place on July 3rd and 4th and for which 600 invitations have been issued to former pupils.

Mrs. Lucy Devereaux of Dalhousie, Minn., is the guest of her mother, Mrs. Frederick LaPointe of Nashes Creek.

Mr. and Mrs. Thomas Hayes of Nashes Creek, visited Campbellton recently.

Miss Myrtle Hayes of Belledune was the guest of Miss Mildred MacIsaac over Sunday.

Mr. Bannan Woods, Shives school, spent Sunday the guest of Mr. Charles Daley, Jr.

The address as follows was read by Miss Sarah MacWhirter:— Dear Mrs. Henry: We, representing the Montgomery Mission Band, come here today, having a very pleasant duty to perform. New Richmond Model School has had a busy ending to the term. The Superior school examinations however, are now over for 1917, and the results from Quebec, will be eagerly looked for. A large number wrote examinations.

The closing was held on Friday 22nd inst. The school-house was crowded to its utmost capacity, and those present did justice to the ice-cream and cake which were served.

On Sabbath, July 1st it is the purpose (D. V.) of Rev. E. J. Rattee, to hold a special jubilee service in commemoration of the fiftieth Anniversary of the organization of the Dominion. We trust that a large audience may be present on this important day in the history of Canada.

On Sunday, p. m., 24th inst.—Miss Hall, Principal of the N. R. Model School was presented at the close of the Sunday School with a Nippon Chocolate set. Mr. Robert Hardy, Superintendent, made the presentation on behalf of the Bible Class and School. Miss Hall has been an earnest indefatigable worker in the school, and the Bible Class will lose a teacher whose place, it will be hard to fill. All branches of work in the congregation will miss her help. Her many friends in New Richmond join in wishing her God speed in the future.
