MANY DIE WHEN ROOF DROPPED

Weighted With Snow Washington Theatre Roof Falls—Dead Number 107.

Washington, Jan. 30.—With a total of 108 dead and 133 injured removed from the ruins of the Knickerbocker motion picture theatre up to an early hour today, the rescuers were still struggling with the heavy wreckage left when the snow laden roof of the structure collapsed during the showing of a comedy feature bill Saturday night.

Brigadier General Bandholtz, commandant of federal troops in the district, in personal charge of the rescue work, said it might be another twenty-four hours before it could be definitely said there were more dead or injured in the wreckage of twisted steel and concrete which yet remained to be cleared away of the mass which went hurtling down on the pleasure seeking hundreds below. It was believed, however, that the section now being explored would yield few additions to the awful list of dead and injured it being near the rear an under the part of the balcony which held up when the front of it crashed down to the theatre pit under the impact of the falling roof.

Man Believed Yet Alive.

A party of the rescuers early today had been struggling for hours to release from the part of the wreckage now being overturned one man believed to be yet alive although imprisoned under the mass for nearly thirty-six hours. The great weight of the steel beams and concrete which crashed with the roof have in many instances made the rescue of victims harrowingly slow and tedious.

The capital city was bowed in grief today to learn the full extent of the tragedy with the recovery of victims yesterday and last night. This was the more intensely shared by the rest of the country because of the considerable number of visitors who suffered in the catastrophe. President Harding in a statement last night, said the tragedy had left him with the "same inexpressible sorrow, which has come to all of Washington and which will be sympathetically felt throughout the land."

PREPARATION FOR PAPAL CONCLAVE

Arrangements Begun in Earnest To-day for Solemn Session of Cardinals.

Rome, Jan 30—Preparations were begun in earnest to-day for the convening on Thursday of the solemn conclave at which the Cardinals of the Roman Catholic Church will choose a Pope to succeed the late Benedict XV. The last minute ceremonials will be preceded by three solemn requiem masses, beginning this morning in which the Cardinals will participe.

The beautiful and historic Sistine Chapel in which the conclave will meet has already been fitted with the long stalls in which the Cardinalh will sit while the balloting proceeds. Minute instructions have been given out for the performance of the ceremonials and the dress and behavior of those participating in them. It has been prescribed that all prelates excepting Cardinals will wear black vestments.

All those who remain within the Vatican when its doors are bolted at the beginning of the election have been summoned to meet in the Sala Regia, adjacent to the Sistine Chapel on Thursday to take the oath of secrecy for the duration of the sittings, and the Sacred College has appointed a commission to examine the credentials of all the members, attaches and secretaries. This commission is also charged with selecting guards for the conclave, and the appointments of barbers, plumbers, plasterers, and carpenters and such other workmen and attendants as may be by chance and attendants as may be by chance needed before the doors are again open to the world.

Devices have been instaled with the entrance of the court-yard of St. Damaso so that any articles needed may be sent inside, but their operation must be only in the presence of two witnesses. These devices are in the form of cylinders placed vertically. Opening one of the vertical sections, an object may be placed within and transferred to those in the court yard by being is on the inside.

This method of communication will only be allowed between 9 and 11 a.m. and 5 to 7 p.m. Any communication, whether of word or object, must be in the presence of the two witnesses. No reference to these communications must be made to members of the conclave and any violator of the rule of secrecy is subject to excommunication.

The whole section of the Sistine Chapel included in the rededos has been fitted with a platform on which the stalls for the Cardinals are placed. These are covered with delicately embroidered tapestry in finely executed designs and with pleasing harmony of color.

An altar is placed against the hugh mural painting of Michael Angelo's "Last Judgment" and on the altar are six huge silver candlesticks. In the centre of the platform there is an improverished tomb and at which absolution will be given and the three solemn requiem masses.

INDEPENDENCE DE VALERA POLICY

Says Attempt is Being Made to Substitute Another Form of Government.

Paris, Jan. 30.—In a statement to the Echo de Paris Eamonn De Valera says:

"My policy in Ireland is to win full independence for which we have struggled for years. The republic of Ireland exists. An attempt is being made to substitute for this another form of government. All my efforts aim to preserve it as it is, without permitting the modification of anything essential in the constitution. In addition, and it is a grand task, we are going to work to get the republic of Ireland recognized by foreign governments."

It was pointed out that in view of the Anglo-Irish pact it would be difficult or impossible for foreign governments to recognize the Irish republic, to which Mr. De Valera replied:

"The past in question is as yet only a project, not ratified by the people. Until Ireland has decided on this subject I consider the agreement null and void. In the near future—the date has not yet been fixed—the men and women of Ireland will vote and thus make known their sentiments on the agreement proposed by England. That general elections will decided the fate of Ireland."

WINTER ECZE
'CHAPS' & COLD-SORES

KEEN wintry weather brings a host of skin troubles. Cold-sores, chapped hands, unsightly face-sores and blotches, become a source of discomfort and annoyance. To end the trouble and make your skin clear, healthy and flexible, give the face, arms and hands, a nightly dressing with pure herbal Zam-Buk.

Zam-Buk instantly soothes the smarting irritation, it kills disease germs, and quickly heals all soreness, roughness and chafing which, neglected, often develops into eczema or other chronic skin disease.

Use also Zam-Buk Medicinal Soap and enjoy real skin health.

This was an obstinate case.

Mrs. Henry Amey, 49, Lyall Avenue, Toronto, says:—"My daughter's face and neck were a mass of eczema. Her doctor prescribed treatment for over two months, but to little avail. I was about to call in a skin specialist when I heard of Zam-Buk treatment reaching other sufferers from this dread disease. So I got a box of Zam-Buk and a tablet of Zam-Buk Medicinal Soap. In a few days these wrought a decided improvement. Day by day the sores gradually healed, and within a month my daughter's skin was thoroughly cleared of the terrible disease."

From all dealers or from Zam-Buk Co., Regent St., Toronto. 50c. box, all dealers.
