CADETS AND BOY SCOUTS PARADE AT VICTORIA PARK

Major Hume Cronyn Urges Young Men To Study Public Affairs of Their Country

Doubling last year's attendance at a similar ceremony and marked by unprecedented popular enthusiasm, well over 5,000 citizens witnessed yesterday's Dominion Day exercises in Victoria Park, which were marked by patriotic addresses utterly divorced from boastfulness, but at the same time filled with great future-visioning thoughts nobly expressed.

Nor was the spectacular side of the ceremony neglected. One thousand children gathered in space specially reserved, waved meteoric imperial standards or flashed the crimson flame of the Canadian ensign.

Promptly at noon two guns of the 21st battery roared out 21 measured detonations in salute to the King, while a thousand cadets from various Western Ontario high schools stood rigidly at attention.

The two guns brought to the park for the salute were placed in front of the Russian cannon captured in Crimea, and the four German field guns at the corners of the city's park seemed to tremble with each report from Canadian 18-pounders that not many years ago sprayed shrapnel on enemy troops of the Hindenburg line.

CIVIC REPRESENTATION.

Prominent citizens representing military headquarters, the Corporation of London, Board of Education, Separate School Board, Canadian Club, the I. O. O. F. and other organizations occupied a temporary rostrum around which cadet battalions, standard bearers of the city's flag, and members of the I. O. O. F. and by scouts were immediately placed and behind whom patriotic private citizens gathered to witness the ceremonies.

On the rostrum were Col. Ibbotson, Leonard, president of the Canadian Club; Major Hume Cronyn, Philip Pocock, Ald. P. J. Watt, Trustee A. N. Udy, Robert Greene, Mayor T. J. Murphy and Ald. A. H. Murphy; Brigadier-General King, C. M. G., D. S. O., Lieut.-Col. G. H. Gillespie, B. C. McCallum and George F. Copeland.

COL. LEONARD DECORATED.

Col. Leonard, who acted as chairman, was surprised at the end of the ceremony when General King invested him with the Long Service decoration of the Canadian militia amidst the cheers of those participating in the celebration.

The ceremony concluded with a march past of cadet battalions and boy scouts to music by the G. W. V. A. Band that took the place of the city's band. The original plan for the ceremony was to have a parade of the city's band.

The salute was taken by Brigadier-General King, C. M. G., D. S. O., Lieut.-Col. G. H. Gillespie, B. C. McCallum and George F. Copeland.

Col. Leonard closed his address by expressing on behalf of the Men's Canadian Club, thanks to Brig.-Gen. King and staff for their hearty cooperation, to the City Council, Board of Education, Separate School Board, Public Utilities, women's and girls' Public Utilities, women's and girls' Public Utilities, women's and girls' Public Utilities.

"I am well aware that those of pure Anglo-Saxon descent this day have been celebrating the birthday of the Dominion in their loyalty is inherent. Inborn. They do not need to display a flag in their lapel or mount on their motor cars to display their patriotism."

"But these should not forget that we have Canadians of other antecedents. For their sake as well as our own we should show our pride in doing homage to the flag."

"And not only on one day in the year should this militant spirit of loyalty be manifested. Canadian patriotism should form a greater part of our school life and our daily life."

"In this Dominion Canadian history should rank next to Holy Scripture. And that memorable date, July 1, 1867, should be engraved in every Canadian home."

Gen. King, supported by the staff of M. D. No. 1.

Col. Leonard made the opening address of welcome to those who had volunteered to take part in a civic celebration of the nation's birthday.

"Of late years," he said, "there has been a tendency on the part of the public to overlook the real purpose of this day set aside to mark the anniversary of the Dominion's birth. We have been prone to consider it merely a day for pleasure seeking and amusement, but every citizen should make it a personal duty to see that all take part in marking Dominion Day in future in a fitting manner."

"Much that I have to say here today is addressed to those who have not seen fit to be present. The Canadian Club and other organizations responsible for this celebration are grateful to those that are here, but we hope to see the day in a fitting festival of patriotic rejoicing."

"Our appeal for patriotic demonstration is the name of Canada's gallant sons such as the monument yonder commemorates, and such as another monument—which we hope to see erected at an early date—will honor in enduring form."

"I am well aware that those of pure Anglo-Saxon descent this day have been celebrating the birthday of the Dominion in their loyalty is inherent. Inborn. They do not need to display a flag in their lapel or mount on their motor cars to display their patriotism."

HEAVY HAILSTORM IN ALBERTA GRAIN BELT

Hurricane Cuts Strips Three to Ten Miles Wide Across South of Province

LETHBRIDGE, Alta., July 2.—(By Canadian Press).—The worst hailstorm in the history of Southern Alberta hit through the center of the grain belt on Sunday afternoon and evening. Entering Southern Alberta around Midnapore and Dewdney, where calves were killed by the hail stones, the hurricane swept through Okotoks, High River and thence south between the Alderhyde and McLeod branches of the Canadian Pacific Railway, cutting a strip three to ten miles wide.

TANGIER PARLEY TO-DAY.

LONDON, July 2.—Rumors here that the conference between French, British and Spanish experts over the Tangier problem was already on the rocks were set at rest by the announcement today that a third session of the conference will be held to-morrow.

SCOTCH PICNIC AT PT. STANLEY JULY 19

Tug-of-War Between Elgin and Middlesex County To Be Feature.

Scotchmen from all parts of Western Ontario will assemble at Port Stanley on July 19 for one of the most stupendous picnic gatherings that have ever been staged. Arrangements are already under way for the big event and practically all that is now required to make it a gigantic success is the smile of the weatherman. One of the big features will be the tug-of-war between Elgin and Middlesex counties, for which the captains of both county teams are already recruiting material. Last year a husky quintet from Middlesex County won the victory. This team repeated the performance at another tug-of-war with East Middlesex at the Pond Mills U. F. O. picnic a few weeks ago.

However, Elgin is preparing to capture first honors at the Port Stanley event, and its team is now busy practicing for the occasion. County Roads Superintendent G. F. Pines, of Elgin, has been named captain of that team, while Captain Robson, treasurer of Middlesex, is the captain of his county's aggregation.

The county councils of both municipalities are behind the project and not only are they supporting it financially, but the honor of the county is recognized as being at stake and as a consequence the event is looked on as one of the most important possible.

Further details of the program and other matters will be available in the course of a week or so. A handsome silver trophy is at stake in the tug-of-war. It is at present in the Middlesex County buildings, where it was placed when won by this county last year.

Mr. Coran, who opened his series of instruction lessons yesterday and his class was an exceptionally large one this morning, afternoon and evening events. Among the dignitaries present at the official opening of the playground were Philip Pocock, chairman of the playgrounds committee of the U. F. O. and Miss A. J. Watt, who officially opened the grounds on behalf of the City Council. E. V. Buchanan, general manager of the commission, and Dr. George Smith, chief supervisor.

The playground is in charge of Freda Daly, Frances Talbot, F. E. Baker and W. H. Martin. The swimming pond is provided with comfortable dressing rooms for the boys and girls, while the regulation 5 and 10-foot water slides are also part of the regular bath equipment.

Mr. Coran, the swimming expert, will give lessons at regular hours during the next two weeks. He will instruct entirely free of charge any child or grown-up, and has reserved one hour during the afternoon between 3 and 4 o'clock for ladies. More than 300 kiddies were present yesterday and the address of the various speakers were loudly applauded. Commissioner Pocock addressed the crowd from the high diving board over the water.

VERMONT VILLAGE HONORS REFUGEE FROM JUSTICE

BRISTOL, Vermont, July 2.—A memorial to this little town in the heart of the Green Mountains. The man who killed a neighboring farmer in Unadilla, N. Y., was John Broodt, a Dutchman. The Outlook Club, a women's organization of Bristol, is going to place a suit of iron on the site of the crime.

Broodt had a dispute with his neighbor in Unadilla over the line fence between their farms. A fight followed and the neighbor was killed. Broodt was convicted of murder but escaped, bought ammunition, fishing tackle and other necessities at Whitehall, and fled into Vermont. In the dense forest near South Mountain, a mile south of what is now Bristol village, he ended his flight. There he built a log cabin and remained in solitude with his faithful dog for twelve years without seeing another human being.

A surveying party in 1785 he was clad in deerskin and his dog, which he said had been black when he entered the woods, was nearly white.

Broodt was pardoned a later. The stone chimney which he built was standing until a few years ago and even now the dilapidated hearth marks the spot of his hermitage.
