HARRIS & CO. PROPRIETORS. WATFORD, NOVEMBER 20, 1914.

The Canadian Patriotic Fund

A branch of the Canadian Patriotic Fund has been organized in Watford. It is to be hoped that everyone will give to this deserving object as liberally as possible. This Fund is not a charity, but an acknowledgment of the duty we owe to the Canadian soldiers who have gone to the front to defend our homes and country and preserve the liberty we enjoy.

We are aware that the citizens have already been asked several times for subscriptions for patriotic purposes and they have responded generously, but this Fund should be paid promptly, and the amount raised large enough to show that we fully appreciate our responsibility in the matter.
