

Comfortable with us all throughout 1923!

WYEAR TO ALL

We Thank You Most Sincerely for your splendid support and patronage during 1922 and hope that we may continue to assist each other in every way possible. It may be that 1922 has not brought each of us more financial prosperity, but our own County and Province have been indeed favored very much by a kind Providence. We earnestly hope that a full co-operation on the part of every one of us will result in Better Prices and Better Business in 1923.
