COMMUNICATIONS. To the Editor of the Standard.

Sir,-In your last weeks' obituary. I see an announcement, which was doubtless handed by some, (in his own opinion) very -witty individual, of the "death of the St. Andrews Book Society." I should have been better pleased Mr. Editor, had it appeared in any other part of your paper, but let that pass;

my object in noticing it, and requesting you to insert this letter, is not to find fault, but to disabuse the impression which that lively gentleman appears desirous to convey, viz., that the demise of the poor defunct was from Company has always acted upon the principle since its organization, and do not feel disposed to abandon, these principles in their action: Therefore resolved, that this Company, do not feel called upon, or are they disposed to submit to the firewards carried when they disposed to submit to the firewards are the firewards and they disposed to submit to the firewards are the firewards and they disposed to submit to the firewards are they disposed to submit to the firewards are they disposed to submit to the firewards are they disposed to submit the firewards are they disposed to submit the firewards are they disposed to submit to the firewards are they disposed to submit the firewards are
