LECTURE COURSE FOR OUR HORTICULTURAL SOCIETIES.

FOR THE ENCOURAGEMENT of all our affiliated horticultural societies, Mr. G. C.

Creelman, our efficient secretary has arranged the following schedule of lectures on horticultural topics. If any societies are omitted it is because they have failed to accept the offered lecture, which costs them practically nothing. Where possible, it will serve to popularise the evening lecture and at the same time make the lecturer's visit doubly useful, if a mass meeting of the schools can be held at 3 p.m. of the same day, to hear an address especially adapted to students. No doubt, wherever a Civic Improvement League is affiliated, a lecture might be secured for them also.
