New Discovery by Accident
HAIR ON THE NECK, FACE, ARMS OR ANY PART OF THE PERSON

quickly desolved and permanently removed with QUEEN'S ANTI-HAIRINE. The new and wonderful discovery discovered by accident, while washing the hair, it was discovered that the hair was completely removed. It is perfectly harmless, and so simple any child can use it. Lay the hair over and apply for a few minutes, and the hair disappears as if by magic. No scientific discovery ever attained such wonderful results. Thousands who have been annoyed with hair on their FACE, NECK and ARMS attest its merits. It cannot fail. If the growth be light, one application will remove it permanently; the heavy growth, such as beard and hair on moles may require one or more applications. It does not destroy the roots, and the hair grows more luxuriantly at each application. Young persons who find an embarrassing growth of hair coming can also use it. Harmless as water. Price of Queen's Anti-Hairine \$1. per bottle, sent in safety mailing boxes postage paid by us. (securely sealed from observation).
