HAZEN MORSE, ESQ.,

Dear Sir,—I consider Hydroleine a valuable preparation, and I have shown my estimation of it by prescribing it to some thirty or more of my patients, instead of ordinary Cod Liver Oil. Many of them continue to take it and have been greatly benefited by its use. Very truly yours,

J. J. DUGDALE, M. D.

Hastings, 15th Sept., 1880.

Sir,—We are so well satisfied with the trial bottle of Hydroleine, having put it to a severe test in an extreme case where we really did not expect the girl to live a week, (she is now able to walk about the house), that we would like a dozen bottles.

Most truly yours,

Drs. CLARK and O'GORMAN.

32 Beaver Hall, Montreal, May 15, 1880.

DEAR MR. MORSE,

My experience with Hydroleine has been more than satisfactory, and I know no remedy like it in cases of a scrofulous or tubercular diathesis. In some of my cases the effects of this remedy have been really marvellous. Now I wish you to send through Lewis & Co., a half dozen for my own personal use, as I wish to continue taking the Hydroleine myself.

Yours truly, E. H. TRENHOLME, M.D.

Richmond Ont., Nov. 25, 1880.

HAZEN MORSE, ESQ.,

Dear Sir,—I have to-day made arrangements with Mr. McElroy (the merchant of our village), to keep in stock a quantity of Hydroleine. It is the best thing I have ever used in all Wasting Diseases. I remain, yours etc., D. BEATTY, M.D.

STATEMENT FROM A LEADING CHEMIST AND ANOTHER PROMINENT MAN.

144 St. Lawrence Main St., Montreal, Nov. 18, 1880.

HAZEN MORSE, ESQ., Toronto.

Dear Sir,—I beg to say that Hydroleine is increasing in favor with the Medical Profession. It digests easily and in most cases rapidly brings up the weight of the patient. To prove which, several physicians have weighed their patients before beginning the remedy. My sales this month are larger than ever.

Truly yours,

HENRY R. GRAY,
Dispensing Chemist.

Montreal Telegraph Co., Superintendent's Office,
Toronto, Nov. 26, 1880.

HAZEN MORSE, ESQ.,

Dear Sir,—I sent a dozen bottles of Hydroleine to a relative of mine, to whom it had been recommended by a physician. The result has been most beneficial and satisfactory, my relative's health being greatly improved, with every prospect of perfect restoration.

Yours truly,

H. P. DWIGHT,
Superintendent M. T. Co.
