MRS. J. T. RICHEY, 562 4th Avenue, Louisville, Ky., was a confirmed invalid for eleven years, daily expecting death. Doctors pronounced her trouble to be neuralgia, female complaints and every other known disease. For months her left side was paralyzed. Could neither eat, sleep nor walk. Finally the doctors gave her up. She then began to use Warner's safe cure, and November 18, 1885, she wrote, "I am as well today as when a girl, and feel about twenty years younger. Warner's safe cure has worked a miracle in my case." Mrs. Richey will gladly answer stamped inquiries.

LEMON HONEY.—One grated lemon, rind and all, one and one-half cup of sugar, one half cup of butter, one cup of water, two table spoonfuls of corn starch. Cook till thick, stirring while cooking. Nice as a sauce, or to put between layer cake.

A Guilty Sacrifice

should never be made, but ambition and enterprise deserve reward. Wherever you are located you should write to Hallett & Co., Portland, Maine, and learn about work that you can do and live at home, earning thereby from \$5 to \$35 and upwards daily. Some have earned over \$50 in a day. All particulars free. Both sexes. All ages. Capital not needed; you are started free. All is new. Those who start at once cannot help rapidly making snug little fortunes.

WHITE CAKE.—Three cups of sugar, one cup of butter, one-half cup of milk, whites of nine eggs, one quart of prepared flour, essence of vanilla or bitter almond; for icing and filling, whites of three eggs and three cups of powdered sugar, with juice and grated peel of a lemon. Rub butter and sugar to cream, whip in the milk, essence, the flour and stiffen whites by turns; bake in jelly cake tins, and when cool spread the icing between and on top.

MOTHERS,

do you not see the pallid faces, once so bright, growing thinner? Do you not hear the hacking cough, and note the wasted, languid indifference, where once was mirth, brightness, and keen enjoyment for all the pleasures of life? Do not be mistaken or deceived. That child is dying of consumption—slowly, but surely. Yet thousands are living to-day who have been cured by the use of Dr. Pierce's "Golden Medical Discovery," which surpasses all other medicines for the cure of that disease. Send ten cents for pamphlet and testimonials. Address World's Dispensary Medical Association, Buffalo, N. Y.

CAKE THAT NEVER FAILS.—Six eggs, seven ounces of butter, one pound flour and two teaspoonfuls baking powder, one pound sugar, half cup sweet milk, rind of one lemon, or flavour with vanilla taste. Get every thing ready around you and oven not too hot. Beat the eggs well, then add sugar, beat well, add butter half melted; beat well half the flour with powder sifted in, mix well, then add the milk and the rest of the flour and mix thoroughly with flavouring; bake in well-greased funnel cake tins, paper lined in the bottom; let bake three-fourths of an hour; put good frosting on and you have a delicious cake.
