For Infants and Invalids.

Is a compound of Milk, Wheat and Sugar, Chemically combined as to resemble most closely the Mother's Milk.

It requires only water in preparation, thus making it the MOST ECONOMICAL AND CONVENIENT preparation in the market, besides doing away with the difficulty and uncertainty of obtaining pure milk of a suitable and uniform quality.

It is recommended by the highest medical authorities.

It is especially adapted for Summer diet for infants.

BRANTFORD YOUNG LADIES' COLLEGE.

Rev. Wm. Cochrane, A.M., D.D., Governor.

The Faculty has been re-organized and greatly strengthened by the appointment of new and additional members, so that the college now has a complete staff of experienced and successful Professors and teachers in the several departments of

Literature, Music, Fine Arts, Elocution, Physical Culture, Stenography and Type-Writing.

Students will have the advantage of association with and supervision by an accomplished Lady Principal whose training and character specially qualify her for this most responsible position.

New departments of study have been introduced, so that young ladies can at small cost prepare themselves for lucrative positions now open.

Fees—Reasonable as in any Young Ladies' College not employing pupil-teachers, while a most liberal discount is given to all who pay in advance for the full year.
