

MONTREAL MINING EXCHANGE.

MONTREAL MINING EXCHANGE.

STOCKS STILL REMAIN DULL — VIRTUE OPENS WEAK, BUT QUICKLY RECOVERS — BIG THREE LOWER.

Montreal, April 18.

The market still seems to lack support, and although the downward tendency is not so marked as yesterday, yet there is little evidence of any renewed buying, and stocks are dull at bottom prices.

Virtue opened weak but recovered before the close. The early sales were made at 106½, but later in the session 108 was both bid and paid, sellers were scarce at 110. Time sales of from 15 days were scarce at 113 and 112.

Montreal-London sold at 30 cts, 3000 shares changing hands. The stock was offered at 31 at the close.

There will be held the adjourned general meeting of the shareholders of the Canadian Gold Fields Syndicate "Limited" in the long room, Mechanics Institute, No. 204 St. James Street, Montreal, on Thursday, April 19th, 1900, at 2.30 p.m. The managing director, J. C. Drewry, will be in attendance and give all the latest information from the mines. The stock sold at 6½ this morning.

Decca was weaker, selling at 8½ cents. 2000 shares changing hands.

Oregon remains stationary at 30 cents, although news from the mine continues good.

The Rambler-Cariboo is said to be looking better than ever. About 3½ tons are being extracted every day. Should the mine continue to keep up this showing, there will be no difficulty in paying dividends as well as paying for the extensive improvements which the company propose to make.

Okanogan is unchanged at 2½ cents, 5,000 shares, selling at that price.

Big Three was lower and sold freely at 7 cts. The stock was offered at 7 cents at the close.

Golden Star, on offerings from the West was weak and was freely offered at 10½ cents; no sales, however, were recorded.

MORNING SALES.
