Miracle at Markham

HOW TWELVE CHURCHES BECAME ONE

BY REV.
CHARLES M.
SHELDON

Author of
"In His Steps"
"Malcom Kirke"
Etc.

NO MAN in twenty years has exercised a mightier influence through his pen upon Christian thought and action than Charles M. Sheldon. This story is now running in serial form in *The Ram's Horn*, and has awakened wide and profound interest. It may be called an "ecclesiastically revolutionary" story, striking at sectarian differences and prejudices, and giving an illustration of the splendid results where, as in Markham, the "twelve churches become one."

Paper, 30c.; Cloth, 50c.

YESTERDAY FRAMED IN TO-DAY

A Story of the
Christ and How
To-day Received Him

By PANSY....
(Mrs. G. R. Allen.)

Cloth, 70 Cents.

THIS new book, by Pansy, is an inspiration. Other writers have attempted to portray the actions of the world of to-day should Christ appear in it to labor, heal and bless as he did in the yesterday of nineteen centuries ago. Pansy has placed Him there. Her book is unlike anything else in print. Into the to-day of railroads and telegraphs, phonographs and electric lights, she brings a central figure—Jesus Christ. The announcement of this remarkable book will create alike curiosity and desire on the part of those who have followed the marvelous development of the Pansy books—all of them ministers for good along practical, helpful spiritual lines.

By ANNAN DALE CLOTH, \$1.25

"Dwellers in Gotham" is a novel after a manner in some ways unique to fiction. It is not an attempt to preach in the form of fiction, like many books which have appeared in recent years, but it is a purpose novel of genuine literary value. It is bright, crisp, ingenious and interesting. . . . To every man whose heart beats for man and who enjoys good reading, the perusal of "Dwellers in Gotham" will be a joy.—*Brotherhood Advance*.
