

longing for a baptism of power for service. In fact we feel warranted in saying, that on no former occasion has there been such earnestness manifest. It cheered our hearts also to hear the brethren speak of Christian work, and the necessity for earnest searching of the Word of God—in other words, of studying “to shew thyself approved, a workman that needeth not to be ashamed, rightly dividing the word of truth.”

ACKNOWLEDGMENT.

WE are indebted to one of our workers for a donation of 25 New Testaments. These Testaments (which are well bound and gilt edged,) have been placed with us for distribution among young men who may not already possess a copy of that Word, the “entrance of which giveth light.”

EVANGELISTIC BIBLE CLASS

HELD
Every Sunday Afternoon,
AT 3 O'CLOCK, FOR ONE HOUR.

COME!

LOOK OUT.

*Lest Satan should get an advantage of us.
 Cor. 2: 11.*

THE Bible designates Satan as the accuser of the brethren. Your error is that you listen to him. This is just what he wants. I do not wonder that he accuses you day and night, just so long as you keep your mind busied in looking at his work, instead of “*looking out unto Jesus the Author and Finisher of faith.*” The more you permit your mind to brood over the temptations of the Adversary, the more will he tempt you.

GOD hears the heart without words, but he never hears the words without the heart.

A True Christian may fall in the way yet not fall out of the way.

SHINE YE.

LIGHTED lamp is a very small thing, it burns calmly and without noise, yet it giveth light to all who are in the house. So a quiet Christian life will fill many a home with light.—*M. Cheyne.*

NOT long ago a gentleman in London of somewhat strong infidel opinions, who never opened a Bible or even attempted a form of religion, as he hardly believed there was a God, said, “There is only one thing that makes me think the Bible may be true. When I see a young man entirely changed, when I know what his life *was*, and I see reality in the change, I know that he can't be tired of the world, and when I see that he has a happiness to which I am a stranger, I admit he is the strongest proof to my mind that there must be something in religion after all.” Is not this the very testimony that young men should bear? To show to all that they have *real happiness*, and that they are satisfied with what God has given them.
