

JUST READY

THE WATCHERS OF THE TRAILS

A BOOK OF ANIMAL LIFE

By Charles G. D. Roberts

Author of "The Kindred of the Wild," "The Heart of the
Ancient Wood," etc.

With 48 full-page plates and many decorations from
drawings by Charles Livingston Bull.

Cloth only, \$2.00.

"THE WATCHERS OF THE TRAILS" is a companion
volume to "The Kindred of the Wild," and is a collection of his
latest stories written with that same sincerity and truthfulness
which marked their forerunners. Like the stories in "Kindred"
these tales are redolent of the deep forest, and full of the
wonderful descriptions of the magical beauty the author's eyes
have seen. Each one has directness and definition and action,
each one shows the ways of nature with her children, and each
one is told with fine restraint and the most subtle art.
